3	Observation: Lily's Flowers, 21 April Lily, Sue and Annabelle — Indoor play Lily has been experimenting with paint combinations over several days. In discussion with Sue (assistant) we decided to introduce small pots of paints and a mixing palette (off screen) so that Lily could create her own colour combinations. Sue introduced a postcard of flowers, as Lily has been talking about the flowers in her own garden at home. As Lily painted, she looked at the postcard very carefully, using the colours in the postcard on her paper. As she painted, she said to Annabelle, 'I'm using gold first 'cause that's my favourite, then the green'. Annabelle then passed the red paint and laughed 'red's last!' Lily laughed and took the pot, stirring vigorously.	Comment This observation provides a context for the learning that creates a context for the responses used by staff prior to the observation. It also details the language used, providing a sense of the experience.
