Manhattan Moves Uptown An Illustrated History New York City:

Manhattan Moves Uptown Charles Lockwood, 2014-09-15 Compiled from newspaper archives and richly illustrated with historic images this fascinating chronicle traces the city's growth from Wall Street to Harlem during the period between 1783 and the early 20th century

The Neighborhood Manhattan Forgot Matthew Spady, 2020-09-01 An illuminating treat it retraces the neighborhood's fascinating arc from remote woodland estate to the enduring Beaux Arts streetscape Eric K Washington award winning author of *Boss of the Grips* This fully illustrated history peels back the many layers of a rural society evolving into an urban community enlivened by the people who propelled it forward property owners tenants laborers and servants It tells the intricate tale of how individual choices in the face of family dysfunction economic crises technological developments and the myriad daily occurrences that elicit personal reflection and change of course pushed Audubon Park forward to the cityscape that distinguishes the neighborhood today A longtime evangelist for Manhattan's Audubon Park neighborhood author Matthew Spady delves deep into the lives of the two families most responsible over time for the anomalous arrangement of today's streetscape the Audubons and the Grinnells Beginning with the Audubons return to America in 1839 and John James Audubon's purchase of fourteen acres of farmland *The Neighborhood Manhattan Forgot* follows the many twists and turns of the area's path from forest to city ending in the twenty first century with the Audubon name repurposed in today's historic district a multiethnic multi racial urban neighborhood far removed from the homogeneous Eurocentric Audubon Park suburb This well documented saga of demographics chronicles a dazzling cast of characters and a plot fraught with idealism speculation and expansion as well as religious political and real estate machinations Roberta J M Olson PhD Curator of Drawings New York Historical Society The story of the area's evolution from hinterland to suburb to city is comprehensively told in Matthew Spady's fluidly written new history *The New York Times*

Taming Manhattan Catherine McNeur, 2014-11-03 From 1815 to 1865 as city blocks encroached on farmland to accommodate Manhattan's exploding population prosperous New Yorkers developed new ideas about what an urban environment should contain ideas that poorer immigrants resisted As Catherine McNeur shows taming Manhattan came at the cost of amplifying environmental and economic disparities

The Encyclopedia of New York City Kenneth T. Jackson, Lisa Keller, Nancy Flood, 2010-12-01 Covering an exhaustive range of information about the five boroughs the first edition of *The Encyclopedia of New York City* was a success by every measure earning worldwide acclaim and several awards for reference excellence and selling out its first printing before it was officially published But much has changed since the volume first appeared in 1995 the World Trade Center no longer dominates the skyline a billionaire businessman has become an unlikely three term mayor and urban regeneration Chelsea Piers the High Line DUMBO Williamsburg the South Bronx the Lower East Side has become commonplace To reflect such innovation and change this definitive one volume resource on the city has been completely revised and expanded The revised edition includes 800 new entries that help complete the story of

New York from Air Train to E ZPass from September 11 to public order The new material includes broader coverage of subject areas previously underserved as well as new maps and illustrations Virtually all existing entries spanning architecture politics business sports the arts and more have been updated to reflect the impact of the past two decades The more than 5 000 alphabetical entries and 700 illustrations of the second edition of The Encyclopedia of New York City convey the richness and diversity of its subject in great breadth and detail and will continue to serve as an indispensable tool for everyone who has even a passing interest in the American metropolis

A History of Housing in New York City Richard Plunz, 2016-10-18 Since its emergence in the mid nineteenth century as the nation's metropolis New York has faced the most challenging housing problems of any American city but it has also led the nation in innovation and reform The horrors of the tenement were perfected in New York at the same time that the very rich were building palaces along Fifth Avenue public housing for the poor originated in New York as did government subsidies for middle class housing A standard in the field since its publication in 1992 A History of Housing in New York City traces New York's housing development from 1850 to the present in text and profuse illustrations Richard Plunz explores the housing of all classes with comparative discussion of the development of types ranging from the single family house to the high rise apartment tower His analysis is placed within the context of the broader political and cultural development of New York City This revised edition extends the scope of the book into the city's recent history adding three decades to the study covering the recent housing bubble crisis the rebound and gentrification of the five boroughs and the ecological issues facing the next generation of New Yorkers More than 300 illustrations are integrated throughout the text depicting housing plans neighborhood changes and city architecture over the past 130 years This new edition also features a foreword by the distinguished urban historian Kenneth T Jackson

Arsenic and Clam Chowder James D. Livingston, 2012-02-01 Arsenic and Clam Chowder recounts the sensational 1896 murder trial of Mary Alice Livingston a member of one of the most prestigious families in New York who was accused of murdering her own mother Evelina Bliss The bizarre instrument of death an arsenic laced pail of clam chowder had been delivered to the victim by her ten year old granddaughter and Livingston was arrested in her mourning clothes immediately after attending her mother's funeral In addition to being the mother of four out of wedlock children the last born in prison while she was awaiting trial Livingston faced the possibility of being the first woman to be executed in New York's new fangled electric chair and all these lurid details made her arrest and trial the central focus of an all out circulation war then underway between Joseph Pulitzer's World and Randolph Hearst's Journal The story is set against the electric backdrop of Gilded Age Manhattan The arrival of skyscrapers automobiles motion pictures and other modern marvels in the 1890s was transforming urban life with breathtaking speed just as the battles of reformers against vice police corruption and Tammany Hall were transforming the city's political life The aspiring politician Teddy Roosevelt the prolific inventor Thomas Edison bon vivant Diamond Jim Brady and his companion Lillian Russell were among Gotham's larger than life personalities and they all played

cameo roles in the dramatic story of Mary Alice Livingston and her arsenic laced clam chowder In addition to telling a ripping good story the book addresses a number of social and legal issues among them capital punishment equal rights for women societal sexual standards inheritance laws in regard to murder gender bias of juries and the meaning of beyond a reasonable doubt Downtown Pete Hamill,2025-04-08 In this beautifully written sharply observed and heartfelt guide to his hometown New York Times legendary New York City journalist Pete Hamill leads us on an unforgettable journey through the city he loves Walking the Manhattan streets he loves from Times Square to the island s southern tip Pete Hamill combines a moving memoir of his own days and nights in new York with a lively and revealing history of the city s most enduring places and people Pete Hamill lovingly captures the vibrant sights sounds and smells of Manhattan from Battery Park to midtown the most important most exciting stretch of real estate in the world New York Daily News

Knickerbocker Commodore Bruce A. Castleman,2016-05-12 Knickerbocker Commodore chronicles the life of Rear Admiral John Drake Sloat an important but understudied naval figure in US history Born and raised by a slave owning gentry family in New York s Hudson Valley Sloat moved to New York City at age nineteen Bruce A Castleman explores Sloat s forty five year career in the Navy from his initial appointment as midshipman in the conflicts with revolutionary France to his service as commodore during the country s war with Mexico As the commodore in command of the naval forces in the Pacific Sloat occupied Monterey and declared the annexation of California in July 1846 controversial actions criticized by some and defended by others More than a biography of one man this book illustrates the evolution of the peacetime Navy as an institution and its conversion from sail to steam Using shipping news and Customs Service records from Sloat s merchant voyages Castleman offers a rare and insightful perspective on American maritime history **Art and the Empire City** Metropolitan Museum of Art (New York, N.Y.),2000 Presented in conjunction with the September 2000 exhibition at the Metropolitan Museum this volume presents the complex story of the proliferation of the arts in New York and the evolution of an increasingly discerning audience for those arts during the antebellum period Thirteen essays by noted specialists bring new research and insights to bear on a broad range of subjects that offer both historical and cultural contexts and explore the city s development as a nexus for the marketing and display of art as well as private collecting landscape painting viewed against the background of tourism new departures in sculpture architecture and printmaking the birth of photography New York as a fashion center shopping for home decorations changing styles in furniture and the evolution of the ceramics glass and silver industries The 300 plus works in the exhibition and comparative material are extensively illustrated in color and bandw Oversize 9 25x12 25 Annotation copyrighted by Book News Inc Portland OR Capital Kenneth Goldsmith,2016-03-08 Acclaimed artist Kenneth Goldsmith s thousand page homage to New York City Here is a kaleidoscopic assemblage and poetic history of New York an unparalleled and original homage to the city composed entirely of quotations Drawn from a huge array of sources histories memoirs newspaper articles novels government documents emails and

organized into interpretive categories that reveal the philosophical architecture of the city Capital is the ne plus ultra of books on the ultimate megalopolis It is also a book of experimental literature that transposes Walter Benjamin s unfinished magnum opus of literary montage on the modern city The Arcades Project from nineteenth century Paris to twentieth century New York bringing the streets and its inhabitants to life in categories such as Sex Central Park Commodity Loneliness Gentrification Advertising and Mapplethorpe Capital is a book designed to fascinate and to fail for can a megalopolis truly ever be captured in words Can a history no matter how extensive ever be comprehensive Each reading of this book and of New York is a unique and impossible project

Upper West Side Catholics Thomas J. Shelley, 2019-11-05 This remarkable history of a beloved Upper West Side church is in many respects a microcosm of the history of the Catholic Church in New York City Here is a captivating study of a distinctive Catholic community on the Upper West Side of Manhattan an area long noted for its liberal Catholic sympathies in contrast to the generally conservative attitude that has pervaded the archdiocese of New York The author traces this liberal Catholic dimension of Upper West Side Catholics to a long if slender line of progressive priests that stretches back to the Civil War era casting renewed light on their legacy liturgical reform concern for social justice and a preferential option for the poor long before this phrase found its way into official church documents In recent years this progressivism has demonstrated itself in a willingness to extend a warm welcome to LGBT Catholics most notably at the Church of the Ascension on West 107th Street Ascension was one of the first diocesan parishes in the archdiocese to offer a spiritual home to LGBT Catholics and continues to sponsor the Ascension Gay Fellowship Group Exploring the dynamic history of the Catholic Church of the Ascension this engaging and accessible book illustrates the unusual characteristics that have defined Catholicism on the Upper West Side for the better part of the last century and sheds light on similar congregations within the greater metropolis In many respects the history of Ascension parish exemplifies the history of Catholicism in New York City over the past two centuries because of the powerful presence of two defining characteristics immigration and neighborhood change The Church of the Ascension in fact is a showcase of the success of urban ethnic Catholicism It was founded as a small German parish developed into a large Irish parish suffered a precipitous decline during the crime wave that devastated the Upper West Side from the 1960s to the 1980s and was rescued from near extinction by the influx of Puerto Rican and Dominican Catholics It has emerged during the last several decades as a flourishing multi ethnic bilingual parish that is now experiencing the restored prosperity and prominence of the Upper West Side as one of Manhattan s most integrated and popular residential neighborhoods

Broadway Michelle Young, 2015 From its origins as a Native American trail to its iconic status in global culture today Broadway tells the story of New York as it grew from a Dutch colony into a world class city Broadway has been the site of many firsts and many superlatives the first subway line in the city the tallest buildings and one of the longest streets in the world Beginning along the winding streets of the original settlements amid the skyscrapers of the Financial District Broadway heads north through the neighborhoods of

SoHo and Greenwich Village It then traverses some of the city's most famous plazas including Flatiron Herald Square Times Square and Columbus Circle before entering Upper Manhattan and passing institutions like Lincoln Center Columbia University and City College Today Broadway continues to be at the forefront of New York City's urban developments *The Creative Destruction of Manhattan, 1900-1940* Max Page, 1999 Page investigates these cultural counterweights through case studies of Manhattan's development with depictions ranging from private real estate development along Fifth Avenue to Jacob Riis's slum clearance efforts on the Lower East Side from the elimination of street trees to the efforts to save City Hall from demolition *Lucille Lortel* Alexis Greene, 2004 Limelight Written under the auspices of The Lucille Lortel Foundation this book is the first biography of the grande dame of avant garde theater Lucille Lortel became a leader of a burgeoning Off Broadway movement during the 1950s and 60s and one of the few women of her generation to be a significant player in New York City theater *How New York Became American, 1890-1924* Art M. Blake, 2006-04-20 Originally published in 2006 For many Americans at the turn of the twentieth century and into the 1920s the city of New York conjured dark images of crime poverty and the desperation of crowded immigrants In *How New York Became American 1890-1924* Art M Blake explores how advertising professionals and savvy business leaders reinvented the city creating a brand image of New York that capitalized on the trend toward pleasure travel Blake examines the ways in which these early boosters built on the attention drawn to the city and its exotic populations to craft an image of New York City as America writ urban a place where the arts flourished diverse peoples lived together boisterously but peacefully and where one could enjoy a visit Drawing on a wide range of textual and visual primary sources Blake guides the reader through New York's many civic identities from the first generation of New York skyscrapers and their role in Americanizing the city to the promotion of Midtown as the city's definitive public face His study ranges from the late 1890s into the early twentieth century when the United States suddenly emerged as an imperial power and the nation's industry commerce and culture stood poised to challenge Europe's global dominance New York the nation's largest city became the de facto capital of American culture Social reformers and tourism boosters keen to see America's cities rival those of France or Britain jockeyed for financial and popular support Blake weaves a compelling story of a city's struggle for metropolitan and national status and its place in the national imagination

Reader's Guide to American History Peter J. Parish, 2013-06-17 There are so many books on so many aspects of the history of the United States offering such a wide variety of interpretations that students teachers scholars and librarians often need help and advice on how to find what they want The Reader's Guide to American History is designed to meet that need by adopting a new and constructive approach to the appreciation of this rich historiography Each of the 600 entries on topics in political social and economic history describes and evaluates some 6 to 12 books on the topic providing guidance to the reader on everything from broad surveys and interpretive works to specialized monographs The entries are devoted to events and individuals as well as broader themes and are written by a team of well over 200 contributors all scholars of

American history **Liberal Dreams and Nature's Limits** James T. Lemon, 2008-05-14 On the agricultural frontier and through technological progress Europeans and others and their descendants have sought to fulfill their dreams of improvement Through businesses governments and other bodies city dwellers expedited these desires by organizing settlements communications trade finance and manufacturing In turn cities grew mightily To assess the present condition of cities *Liberal Dreams and Nature's Limits* focuses on five large North American cities at various times in the past Philadelphia about 1760 New York 1860 Chicago 1910 Los Angeles 1950 and Toronto 1975 Life inside these cities specifically the economy society and politics public services land development and the geographies of circulation workplaces and residential districts is the central concern of this book Another concern is drawing contrasts and similarities between the American and Canadian urban experiences North Americans most now living in cities face the challenge of a social frontier how to maintain civility in a near stagnant economy Despite recent advances in cyberspace nature has imposed limits on technical progress defined by speed convenience and comfort Promethean gains through creative destruction are no longer possible Increased preoccupation with money status and safety suggests that the striving inspired by liberalism is still appealing Yet without growth liberal dreams cannot be fulfilled To ensure work income equity and a degree of freedom in thought and action citizens and leaders in both countries will have to commit themselves as never before to managing fairness through social democracy Sustainable cities are not possible otherwise *The Garden Squares of Boston* Phebe S. Goodman, 2003 Of the many types of historic landscapes that have become treasured open spaces in North America's dense urban fabric the garden or residential square largely has been overlooked Yet the garden square played an important role in the planning of Philadelphia Savannah Boston and New York several of America's major early cities Boston's garden squares most closely resemble the squares of London in purpose and appearance Intended as speculative real estate ventures the London garden squares were distinguished by row houses and ornamental iron fences enclosing gardens planted with trees and grass The gardens served as welcome patches of greenery for affluent residents who chose to live in relatively cramped quarters within the city As such gardens were the *raison d'être* for this early form of urban design Although garden squares pre-date well documented municipal parks the historical significance of these squares is not fully understood In this remarkable book Goodman tells the story of Boston's garden squares and offers her readers a fascinating glimpse of early urban planning Goodman traces Charles Bulfinch's connection with these historic landscapes and compares them to their London prototypes While Bostonians and others are familiar with Boston's iconic Louisburg Square on Beacon Hill few people know that Boston's South End neighborhood boasts a group of eight garden squares After discussing London squares and their effect on urban planning in several eastern seaboard cities Goodman turns to Boston's three privately developed garden squares all of which were located close to the original center of the city She pays special attention to Louisburg Square the only one that has survived Focusing on the characteristic landscape features that define the gardens Goodman

also showcases the five of the eight publicly developed garden squares of the South End Blackstone Square Franklin Square Chester Square Union Park and Worcester Square Concluding with a chapter on the evolution and preservation of the garden squares of the South End Goodman discusses private versus public ownership and access maintenance and preservation treatments issues that provide practical information helpful in the management of historical as well as contemporary landscapes She urges a combined effort of neighborhood groups and the public sector to maintain these squares Otherwise she warns the future of these historic garden squares will be in jeopardy *Mahommah Gardo Baquaqua* Paul E.

Lovejoy,Nielson Bezerra,2025-04-23 A literate Muslim born between 1820 and 1830 in present day Benin Mahommah Gardo Baquaqua was enslaved in West Africa and forcibly moved to Brazil in 1845 During a trip to New York City in 1847 he escaped from his master and fled to Haiti where he converted to Christianity When he eventually returned to the United States he enrolled in New York Central College Baquaqua published his autobiography the only known narrative by a former Brazilian slave in 1854 and traveled to England with the intention of returning to Africa He apparently achieved this goal by the early 1860s when his paper trail disappears Lovejoy and Bezerra s analysis of this remarkable autobiography the only known narrative by a former Brazilian slave illuminates what Baquaqua s home in Africa was like and examines African slavery in mid nineteenth century Brazil It also offers an Atlantic perspective on resistance to slavery in the Americas in the era of the Fugitive Slave Law of 1850 **Mrs. Astor's New York** Eric Homberger,2004-09-01 Mrs Astor queen of New York society in the decades before World War I used her prestige to create a social aristocracy in the city Mrs Astor s story told here by Eric Homberger sheds light on the origins extravagant lifestyle and social competitiveness of this aristocracy

This book delves into Manhattan Moves Uptown An Illustrated History New York City.
