**Color By Number Multiplication and Division** Meducolara, 2022-11-29 Help your little child to practice multiplication and division in a fun way. Imagine how your children will be proud of themselves when figuring out the answer to the multiplication and division equations and then coloring the pages to reveal images of different animals. 40 full different animals themed coloring by math pages that progressively get more challenging starting with multiplication table from 1 to 12 then division and finally practicing both multiplication and division on one page. The first 12 pages are multiplication; each page is dedicated to one timetable from 1 to 12. The next 12 pages are division of each timetable from 1 to 12. The following 5 pages are for practicing mixed multiplication timetables from 1 to 12. Then 5 pages are to practice only division equations. The last 6 pages are to practice all the multiplications and division timetables from 1 to 12. This coloring book features 40 full pages of beautifully hand-drawn animal illustrations. Large pages, soft cover, and paperback binding. Single side printed for easy tear out and display and to prevent bleeding of the colors. Extra multiplication and division practice is always needed, and the fun coloring pages are an excellent way to encourage kids to work.
