Martin,2022-07-05 James W Martin is a Florida Bar Board Certified Real Estate Lawyer and Adjunct Professor of Law at Stetson University College of Law who for over forty years has practiced Florida real estate probate and business law This book assists lawyers in drafting contracts for sale of Florida real estate by the use of example forms including checklists listing agreements contracts for sale of real estate addendum forms clauses for real estate contracts amendment forms assignment forms and termination of contract forms This is a legal forms book and is not a treatise on substantive real estate law The lawyer should consult Florida Statutes and case law in every case before using any form No form should be used and no procedure should be followed unless the lawyer understands it and decides that it applies to his or her law practice and to the facts in the particular case Each lawyer s practice differs in some respects and all transactions differ so the lawyer should plan to make changes to these forms accordingly **Law of Real Estate Brokers** D. Barlow Burke,1982 **Let the Seller Beware** Reba Saxon,2016-01-01 Why this handbook Texas real estate contracts are driven by consumer focused law In some ways it is as if the seller is viewed as a giant corporate manufacturer of this large product to be sold for many thousands of dollars vs the poor defenseless buyer whom we must protect To provide this protection there are more than thirty outs for buyers in our residential contract and related addenda There are only three for the Seller This book outlines and explains the entire Texas Real Estate Sales Contract for the resale of One to Four Family Residential properties and includes all related addenda explained by a seasoned negotiator It will benefit any Agent Broker Buyer or Seller of residential property in Texas Many of the aspects may also apply to contracts available in other states but this book applies to practice in Texas The real estate sales contract is THE most important document in a real estate agent s briefcase Listing agreements are nice buyer representation agreements are nice but their use only indicates the possibility of income Nobody is going to get paid until a contract is written and closed It is imperative that you know the contract inside and out for yourself and for your clients since the contract conveys property and large sums of money It is the single most important aspect of our business *Texas Promulgated Contract Forms* Peggy Santmyer,2015-01-17 To protect their client it is necessary for the real estate licensee to not only know what goes in the blank but what is in the preprinted part of the contract forms After studying this book the licensee will be able to Fill in the blanks of the forms properly Be aware of the business details covered in the contract Be knowledgeable regarding addenda Understand when and how to use an amendment Know the difference between addenda and notices and each of their roles Recognize potential legal problems and know when to advise clients to seek legal advice
