Watch this guide and be ready to talk about it on the next (p. 2):

"It was a readiness such as I have never found in any other person and which it is not likely I shall ever find again. No—Gatsby turned out all right in the end; it is what proved on Gatsby, what soul that dwelt in the wake of his dream that temporarily closed out my interest in the abjective sorrows and short-sighted elations of men."

4. How did Nick find his house? (p. 3)

A young man at his office suggested that they take a house together in a commuting town, but at the last minute their firm ordered him to Washington, so Nick went to the country alone.

"Do they miss me?"
