

## Part (Two)

### Lowood School

#### **1. Describe Lowood School.**

Lowood school was very large. It was cold and forbidding. More than eighty girls stayed into one wide, long room wearing ugly brown dresses. All the girls slept into a very large room with many beds in it with two girls in every bed. Even the teachers seemed to be very strict and unfriendly.

#### **2. Mr. Brocklehurst was so mean. Show with evidence.**

Mr. Brocklehurst was the owner of the school who was responsible for buying food and clothes for girls. But he wasn't a generous man as he bought clothes for the girls which were not warm enough for the cold winter and there was never enough food to eat, so only very strong girls could stay well when they had to live in these hard conditions. Because of that, many of the girls became ill as they had a disease which was infectious and some of them died.

#### **3. How was the inquiry in the school considered to be a turning point for Lowood School?**

As a result of so many pupils dying at the school, there was an inquiry into the conditions which had caused the disease. When people learnt about the poor food, the dirty water and light clothing which the children were given, they gave money to improve the lives of the girls. Lowood School was a much happier and healthier place from that time on.

#### **4. Discuss the following quotation:**

as "I know that you could not eat your breakfast this morning, so I have decided that you will have bread and cheese for lunch."

Miss Temple, the head teacher, said this to the girls when she came to see them as she said so because they couldn't eat their breakfast as it was too badly burnt for them to eat. This shows how pretty and kind Miss Temple was.
