The Publishers Weekly ,1881 **Publishers' Weekly** ,1877 *The Colonial Comedy: Imperialism in the French Realist Novel* Jennifer Yee,2016-08-12

Nineteenth century French Realism focuses on metropolitan France with Paris as its undisputed heart Through Jennifer Yee s close reading of the great novelists of the French realist and naturalist canon Balzac Flaubert Zola Maupassant *The Colonial Comedy* reveals that the colonies play a role at a distance even in the most apparently metropolitan texts In what Edward Said called geographical notations of race and imperialism the presence of the colonies off stage is apparent as imported objects colonial merchandise and individuals whose colonial experience is transformative Indeed the realist novel registers the presence of the emerging global world system through networks of importation financial speculation and immigration as well as direct colonial violence and power structures The literature of the century responds to the last decades of French slavery and direct colonialism notably in Algeria but also economic imperialism and the extension of French influence elsewhere Far from imperialist triumphalism in the realist novel exotic objects are portrayed as fake or mass produced for the growing bourgeois market while economic imperialism is associated with fraud and manipulation The deliberate contrast of colonialism and exoticism within the metropolitan novel and ironic distancing of colonial narratives reveal the realist mode to be capable of questioning its own epistemological basis *The Colonial Comedy* argues for the existence in the nineteenth century of a Critical Orientalism characterized by critique of its own discursive foundations Using the tools of literary analysis within a materialist approach *The Colonial Comedy* opens up the domestic Paris Provinces axis to signifying chains pointing towards the colonial space

Jane Austen's Heroes and Other Male Characters Reeta Sahney,1990

JANE AUSTEN S HEROES is a sociological study of her half a dozen novels from what was most difficult to master life s small measures till her disc became her orb The book deals with a few important questions whether Austen s men heroes and other male characters are protagonists of what she stood for Does she create fully rounded characterisations of men or make them tangential partisan studies Does Austen fulfil the Freudian new scientific concept of id which contains everything that is inherited Is she influenced by the revolutionary implications of Mary Wollstonecraft s *A Vindication of the Rights of Women* Is she a Marxist Feminist or a Remorseless realist in terms of Lukacs true great realism or an incurable Romantic The book is a meticulous useful and a thorough study of Austen and her times

Emma Jane Austen,2022-03-03

I wonder what will become of her So speculate the friends and neighbours of Emma Woodhouse the lovely lively wilful and fallible heroine of Jane Austen s fourth published novel Confident that she knows best Emma schemes to find a suitable husband for her pliant friend Harriet only to discover that she understands the feelings of others as little as she does her own heart As Emma puzzles and blunders her way through the mysteries of her social world Austen evokes for her readers a cast of unforgettable characters and a detailed portrait of a small town undergoing historical

transition Written with matchless wit and irony judged by many to be her finest novel Emma has been adapted many times for film and television This new edition emphasises the novel s extraordinary technical audacity While apparently conservative in its choice of setting and range of characters it was and is a formally revolutionary work *Sense and Sensibility* Jane Austen,2004-03-11 Pray pray be composed cried Elinor and do not betray what you feel to every body present Perhaps he has not observed you yet For Elinor Dashwood sensible and sensitive and her romantic impetuous younger sister Marianne the prospect of marrying the men they love appears remote In a world ruled by money and self interest the Dashwood sisters have neither fortune nor connections Concerned for others and for social proprieties Elinor is ill equipped to compete with self centred fortune hunters like Lucy Steele whilst Marianne s unswerving belief in the truth of her own feelings makes her more dangerously susceptible to the designs of unscrupulous men Through her heroines parallel experiences of love loss and hope Jane Austen offers a powerful analysis of the ways in which women s lives were shaped by the claustrophobic society in which they had to survive **A Survey of English Literature 1780-1880** Oliver Elton,1920
