Mischief, Miracles, Motherhood, & Menopause The Maverick Messenger, 2011-05-26 Mischief Miracles Motherhood and Menopause shares the stories of where author Julie B's life has taken her and what she has learned from each experience. Dubbing herself The Maverick Messenger she is a therapist, artist, singer, songwriter, author, wife, mother, and recovering alcoholic. She tells humorous and touching tales of being the baby of her family, dealing with the realities of flat chestedness, surviving the pregnancy and birth of twins, and dating again after a divorce. She offers her take on being an overwhelmed mother of three teenagers while mired in the hormonal hell of menopause. Julie also candidly shares painful and heartfelt stories about her rape at age twelve, her experiences with drinking through the ten years that covered her twenties, and her journey through recovery and divorce, as well as two miscarriages, a house fire, three hurricanes, and her father's death. Although each experience was devastating in its own right, as a whole they have given her a down to earth perspective on love, faith, and relationships. She hopes to inspire others to reevaluate their own lives and relationships with an open mind and heart. Her light hearted, humorous perspective on a variety of subjects from adolescence to alcoholism will keep you laughing and crying at the same time. The Ladies' Home Journal Edward William Bok, 1949 **Theatre Record**, 2007 **Hot Mother** Nancy Peach, 2024-07-25 Penny Baker is winning at life. Sort of. Her work is demanding, her kids are demanding, and her husband seems to be undergoing some weird midlife crisis, but she is juggling it all with the added delights of the menopause. But when the charity she works for is thrown into crisis and her mother's dementia advances, the strain starts to show. Can she navigate it all and still somehow keep a smile on her flushed face?
