Miss Cootes' Confession: The Voluptuous Experiences of an Old Maid Anonymous, 2020-09-28 I know I have long promised you an account of the reason of my penchant for the rod which in my estimation is one of the most voluptuous and delicious institutions of private life especially to a supposed highly respectable old maid like your esteemed friend Treaties must be carried out and promises kept or how can I ever hope for the pleasure of making you taste my little green tickler again Writing and especially a sort of confession of my voluptuous weakness is a most unpleasant task as I feel as shamefaced in putting these things on paper as when my grandfather s housekeeper first bared my poor blushing little bottom to his ruthless attack My only consolation at commencing is the hope that I shall warm to the subject as it progresses in my endeavour to depict for your gratification some of the luscious episodes of my early days My grandfather as you well know was the celebrated Indian General Sir Eyre Coote almost as well known for his eight penny fiasco with the Bluecoat boys as for his services to the Hon E I Company He was a confirmed martinet and nothing delighted him so much as a good opportunity for the use of the cat but I cannot tell you anything about that as that was before my time My first recollection of hint is after the aforesaid City scandal when he had to retire from public life in comparative disgrace My parents both died when I was just upon twelve years of age and the old General who had no other relatives to care for took entire charge of me and at his death I was left his sole heiress and mistress of nearly 3 000 per annum He resided in a quiet country house some twenty miles from London where I spent the first few months of my orphaned life with only his housekeeper Mrs Mansell and the two servants Jane and Jemima The old General being away in Holland searching so I afterwards heard for original editions respecting the practices of Cornelius Hadrien a curious work on the flagellation of religious penitents by a father confessor It was the middle of summer when he returned and I soon found the liberty I had been enjoying considerably restricted Orders not to pluck the flowers or the fruit in the garden and a regular lesson set me every day by the old autocrat himself At first they were tolerably simple but gradually increased in difficulty and now in after years I can plainly understand his wolf and lamb tactics by which I must eventually fall under his assumed just displeasure What gave me considerable pleasure at this time was his decided objection to mourning or anything at all sombre in my dress He said my parents had been shown every possible respect by wearing black for months and I must now be dressed as became a young lady of my good expectations

Anonymous, 2022 A Study of Erotic Literature in England W. v. Murat, 2019-09-24 The present work fills a gap as it attempts to offer a history of erotic literature published in the United Kingdom The word Study in the title is perhaps a bit exaggerated as the material is largely taken from the now well known bibliographies by Pisanus Fraxi Henry Spencer Ashbee and quotations from the books themselves The time line is WW II Who was the author He may have been Charles Reginald Dawes 1879 1964 who is supposed to have written but not published a text of this or a similar title His profession or his

activities are not known he once called himself a writer but library catalogues credit him only with two publications *The Marquis de Sade* Paris 1927 and *Retif de la Bretonne* London 1946 privately printed He may have been a popular writer under pseudonyms though Dawes owned a good erotica collection which he willed to the British Museum Library that would explain why the author of this Study if he was Dawes could quote freely from erotic texts which only few of his contemporaries would have had available The main merits of this book are that the author was thoroughly familiar with English and French erotic literature and that he put his material in chronological order and in context The editor added a number of references illustrations and indices of personal names and titles to facilitate navigation
