RAVINDRA PADALKAR,2021-01-16 This book is written to give an overall idea of dynastic politics in India keeping in mind that a citizen of India should know more about the politicians who are in the government and form policies and so on to take the country in the proper direction Even if there are two related members it is considered as dynasty and is included in this book Wherever possible family trees as well as the assets of our politicians are shown It was natural to start with the Nehru Gandhi family being one of the largest and longest ruling families at the helm of all affairs Then state wise the families are chosen and the account is presented As the content is extensive the book is published in two volumes States are chosen alphabetically So even if Nehru Gandhi family is in Volume 1 Tamilnadu Telangana Uttar Pradesh are in Volume 2 Early rulers in Indian history used to hand over the throne to their sons and then to the next generations for generations till some significant event upset the process mostly conspiracies by persons like very close aides of the king or a revolt Similar lines were followed even during our democracy passing on the rule to the next generation which gave rise to dynastic rule Indian politics has witnessed a large spectrum of politicians from various fields Initially it consisted mainly of leaders from the field of law Now we find that we have eminent personalities from sports fields actors actresses superstars from the silver screen The literary field is no exception we have writers poets and so on Economists find a special place in the political arena Politics does not shun even criminals or a few dacoits who then turned to politics after surrendering Businessmen kings or princes from princely states as the British decided to call them are also found here We have learned people in politics as also the illiterate people angutha chhaap who learned to sign only after assuming the office on being elected People are interested in knowing the assets of politicians This point is covered by using the asset declaration given by the politicians at the time of the election *Poor Miss Finch (Volume 1 of 2) (EasyRead Comfort Edition)* W.
