There are no Right Answers to Wrong Questions Peter C. Wilcox, 2016-06-28 Abraham Joshua Heschel said that We are closer to God when we are asking questions than when we have the answers He believed that to be a Christian is not to be a person who knows all the answers but one who lives in the part of the self where the question is constantly being born Most of us don't think very much about our questions In our culture we are accustomed to being able to find out answers to nearly any question just by typing it into Google search or asking Siri But behind any answer there is always a question Sometimes the question isn't clear to us sometimes it is not very well articulated even to ourselves But it is always there In over thirty years as a psychotherapist and spiritual director Peter C Wilcox has seen how the questions people ask themselves have shaped their lives in some very important ways This book is

an invitation to see how important it is to learn how to ask the right questions about our lives This is because our choice of questions leads us on a path of discovery towards answers that help us to grow spiritually and psychologically Our questions orient our lives and give direction to us We will see that they enable us to make fifteen choices that have a tremendous impact on the kind of person we become

Wilcox,2023-12-27 In the Gospel of Mark chapter 10 Jesus passes by Bartimaeus a blind beggar Bartimaeus calls out Master let me see again Jesus cures him and gives him back his sight So many things in life depend on the way we see things This book is an invitation to look at the way we see things in life We may not be physically blind like Bartimaeus but each of us can be blind in our own ways Reading through these pages will hopefully give you the opportunity to change the way you look at something that holds you back from growing psychologically and spiritually Using the Scriptures stories and examples from over thirty years as a psychotherapist and spiritual director as well as insights from a variety of authors this book invites us to reflect on our own ways of being blind so that like Bartimaeus we might be able to call out to Jesus Master let me see again
