Copyright Office, 1977 **WALNECK'S CLASSIC CYCLE TRADER, DECEMBER 2002** Causey Enterprises, LLC, **Whitaker's Book List** ,1991 **Dogtown** Elyssa East, 2009-12-01 The area known as Dogtown an isolated colonial ruin and surrounding 3 000 acre woodland in storied seaside Gloucester Massachusetts has long exerted a powerful influence over artists writers eccentrics and nature lovers But its history is also woven through with tales of witches supernatural sightings pirates former slaves drifters and the many dogs Revolutionary War widows kept for protection and for which the area was named In 1984 a brutal murder took place there a mentally disturbed local outcast crushed the skull of a beloved schoolteacher as she walked in the woods Dogtown s peculiar atmosphere it is strewn with giant boulders and has been compared to Stonehenge and eerie past deepened the pall of this horrific event that continues to haunt Gloucester even today In alternating chapters Elyssa East interlaces the story of this grisly murder with the strange dark history of this wilderness ghost town and explores the possibility that certain landscapes wield their own unique power East knew nothing of Dogtown s bizarre past when she first became interested in the area As an art student in the early 1990s she fell in love with the celebrated Modernist painter Marsden Hartley s stark and arresting Dogtown landscapes She also learned that in the 1930s Dogtown saved Hartley from a paralyzing depression Years later struggling in her own life East set out to find the mysterious setting that had changed Hartley s life hoping that she too would find solace and renewal in Dogtown s odd beauty Instead she discovered a landscape steeped in intrigue and a community deeply ambivalent about the place while many residents declare their passion for this profoundly affecting landscape others avoid it out of a sense of foreboding Throughout this richly braided first person narrative East brings Dogtown s enigmatic past to life Losses sustained during the American Revolution dealt this once thriving community its final blow Destitute war widows and former slaves took up shelter in its decaying homes until 1839 when the last inhabitant was taken to the poorhouse He died seven days later Dogtown has remained abandoned ever since but continues to occupy many people s imaginations In addition to Marsden Hartley it inspired a Bible thumping millionaire who carved the region s rocks with words to live by the innovative and influential postmodernist poet Charles Olson who based much of his epic *Maximus Poems* on Dogtown an idiosyncratic octogenarian who vigilantly patrols the land to this day and a murderer who claimed that

the spirit of the woods called out to him In luminous insightful prose Dogtown takes the reader into an unforgettable place brimming with tragedy eccentricity and fascinating lore and examines the idea that some places can inspire both good and evil poetry and murder
