Learning the French language has many stages. You begin with basic vocabulary, then start to form sentences, and eventually, you can become pretty fluent. But how well can you read in French?

The ability to read and comprehend in French will be the next step in your lessons. It will be useful as you integrate the language into more parts of your life, particularly if you will be living or working with native French speakers.

Learning to read French will help you learn more about sentence and paragraph structure and put words you know vocally into a visual context. This will become valuable as you begin to read more and learn how to write in French.

Practice Your French Reading Comprehension

Below you will find a three-part story about Lucie that was written in French by Melissa Marshall and is published here with permission.

Each section is a chapter of the story itself which you can work on individually. Only "Chapter 1: Lucie en France II - L'appartement" has been translated into English, though you will not find that until the very bottom of the article.

chapters

Suggested Approach to the Story

You can approach this lesson in any way that you wish, but here is one approach you might want to consider (and adapt to your personal ability).

1. Read through each chapter individually. Spend it out loud as you read as you are familiar with the words or can recognize vocabulary and put it into context with what you already know.
2. Study each chapter's vocabulary and grammar and use these to help you figure out the story on your own. Each section includes both a vocabulary and grammar lesson, with the grammar focusing on a separate part of speech (e.g., verbs, prepositions, or adjectives).
3. Write down your English translation for each chapter, then read it again in French. Do you need to correct your initial translation? Did you miss an important detail in the story? Is there a word that you are not familiar with?
4. If you would like, check your translation with the one given for the second chapter of the story. Don't push down there unless you absolutely have to! Try to figure it out yourself, then compare your translation with it. When you've done this, read through and check your translation of the other two chapters and see if you have any corrections.
5. Go at your own pace. This lesson can be done in a single night or take a month to complete, depending on your level of French. It is a challenge, but a worthy one and it should help you understand French a little better.

Chapter 1: Lucie en France - Elle arrive

Lucie, étudiante des États-Unis, vient d'arriver à Charles de Gaulle, l'aéroport qui accueille chaque jour à Paris, 1 million de visiteurs. Paris. Enfin. Ça a toujours été le rêve de Lucie : vivre dans la Ville lumière, la ville des beaux arts, du quartier latin, du vin, et qui sait, peut-être la ville d'une petite histoire d'amour.
