

STRENGTHS

- Strong social media presence
- Partnerships with several popular brands
- High-quality products
- Strong markets in middle-aged and elderly populations
- Ranked as one of the top-rated brands in the country

WEAKNESSES

- High-quality competing products
- Difficulty breaking into new market populations
- Product designs that have not changed in several years
- Successful competing advertising campaigns
- Cheaper competing products

OPPORTUNITIES

- Could revitalize attempts to tap into new population markets, such as young adults and teens
- Could redesign processing models
- Could seek ways to lower product prices
- Could partner with other popular brands to introduce new products
- Could expand company reach into other parts of the world

THREATS

- The competition may partner with popular brands as well
- Product prices may be too high for certain demographic groups to afford
- Lowering product prices may sacrifice product quality
- Trends of incorporating technology into products may alienate people in the strongest markets
