

The book cover features a dark, textured background resembling sand. A small plant with several bright yellow flowers and green leaves grows out of a microchip. The microchip is positioned in the lower right quadrant and has several thin, wire-like structures extending from it. A series of concentric, slightly irregular circles are etched into the sand, radiating from the base of the plant. The title 'MODERN CONTROL SYSTEMS' is printed in large, bold, yellow capital letters across the middle of the cover. Below the title, the text 'NINTH EDITION' is printed in smaller, light blue capital letters. At the bottom left, the authors' names 'RICHARD C. DORF' and 'ROBERT H. BISHOP' are listed in white capital letters.
