Read the manual carefully to learn how to use each tool and service your machine correctly. Failure to do so could result in personal injury or machine damage.

This manual should be considered a normal part of your machine and should remain with the machine when you sell it.

The machine is of course single channel, and its outputs are noisy. The only more powerful and more accurate

Reprinted with editorial review by permission
of the author, in the *Journal of Health Politics*.

When product identification numbers in the clearing numbers section, document record of the system is help in locating the machine about it is listed. You should also check these numbers when you order parts if the brand is kept in the machine, since the manufacturer will have a record about all the machine.

Warning is provided as part of the site's expert report to be followed with care and safety. The experts are not liable for the safety of the site. The experts are not liable for the safety of the site.

The warranty provides you the assurance that should you find the product under repair within the warranty period, it will be replaced. However, the warranty also provides that replacement will be subject to the availability of the product. If not available, should the equipment be returned, or should it change its performance beyond the original factory specifications, the warranty will become void and great disappointment may be felt. Buying the wrong size specification or otherwise comparing features and specifications will cause

Only qualified, experienced operators, strictly licensed according to local law, should be allowed to operate the machine. Moreover, only strictly licensed personnel should be allowed to inspect, service the machine.

All information, figures and specifications in this manual are based on the latest product information available at the time of publication. This will be corrected to cover changes as they come to light.
