Wareham,2024-04-26 The only certainty in life is death Even the most powerful leaders throughout history were unable to cheat the Grim Reaper World leaders whether revered or reviled are rarely allowed to exit gracefully from life but instead receive a state funeral a major international event incorporating splendid symbols and messages religious faith and tradition The body of Tsar Alexander III was carried across half of Russia before finally being buried in St Petersburg People paid obscene amounts of money for a room that gave a glimpse of Queen Victoria s fascinating State funeral The cortege for China s Empress Dowager Cixi was not to be photographed nevertheless photos showed up a century later For political reasons Generalissimo Franco s body was exhumed decades after his death The world became acquainted with a rather unusual ancient Roman Catholic ritual when Pope John Paul I died The body of India s Indira Gandhi was confined to sacred flames The last journey of Marshal Tito turned into an event of Funeral Diplomacy whilst Khomeini s funeral ended in frenzy and tumult In 2021 the massive restrictions imposed due to the Covid 19 pandemic meant a rigid downsizing of Prince Philip s funeral hardly any guests were allowed to attend This revealing and entertaining book provides an insight into unique obsequies from across the world seen as both a celebration of life and the honouring of death *Goodbye, My Princess* Fei Wo Si Cun,2025-06-17 The only thing more dangerous than a king is his heir in this first English translation of the romantic tragedy that inspired the popular TV series from one of China s best known authors of heartbreak perfect for readers of Captive Prince and Grandmaster of Demonic Cultivation There is no room for love in an empire Qu Xiaofeng has been living in Shangjing for three years now A naive happy go lucky treaty bride from the desert kingdom of Xiliang she has everything she could ever want as the crown princess of the Li Empire everything except the crown prince s heart Because Li Chengyin is a heartless boy Cruel jealous and ruthless he has given his adolescence to the cutthroat contention for the throne and now that he is the heir presumptive largely ignores his bride in favor of the girl he seems to really love Xiaofeng doesn t mind much It leaves her more time to sneak out of the manor to go drinking and riding in the streets living just the way she wants to But one day another boy shows up claiming to be a sweetheart from a life she can t remember having lived As Xiaofeng puzzles out the tangled threads of her past and her complicated feelings about the enigmatic distant husband she loves and hates in equal measure what she doesn t realize is that she s setting a course straight to tragedy Because the only place more dangerous than the palace is the crown prince s court the only thing harder to be than a king is his heir and the path to the throne is paved with blood Power will always have its price the only question is if Xiaofeng will survive long enough to pay
