Project-Based Learning Applied to the Language Classroom Juliana Franco Tavares/ Louise Emma Potter,2018-03-05 In Project Based Learning Applied to the Language Classroom the authors propose a way to develop PBL in the language classrooms taking into account all of the obstacles and specifics involved in teaching a foreign language It is about teaching English as a second or foreign language using Project Based Learning PBL We approach this combination because many people seem to think about implementing PBL in their language classes and ask questions about how to do it but feel that there aren t enough materials based on this methodology In fact most researchers and writers we have come across discuss the applications of PBL in the students mother tongue to subjects such as Math History Literature Social Studies and Science However there are few published works about the specifics of PBL in foreign language classes Besides it seems obvious to us that the main difficulty in developing projects in a second or foreign language lies exactly on the fact that communication may be hindered when students do not have enough knowledge in the target language This Year's Model Elizabeth Wissinger,2015-09-18 Over the last four decades the fashion modeling industry has become a lightning rod for debates about Western beauty ideals the sexual objectification of women and consumer desire Yet fashion models still captivate embodying all that is cool glam hip and desirable They are a fixture in tabloids magazines fashion blogs and television Why exactly are models so appealing And how do these women succeed in so soundly holding our attention In This Year s Model Elizabeth Wissinger weaves together in depth interviews and research at model castings photo shoots and runway shows to offer a glimpse into the life of the model throughout the 20th and 21st centuries Once an ad hoc occupation the model life now involves a great deal of physical and virtual management of the body or what Wissinger terms glamour labor Wissinger argues that glamour labor the specialized modeling work of self styling crafting a look and building an image has been amplified by the rise of digital media as new technologies make tinkering with the body s form and image easy Models can now present self fashioning self surveillance and self branding as essential behaviors for anyone who is truly in the know and

in fashion Countless regular people make it their mission to achieve this ideal not realizing that technology is key to creating the unattainable standard of beauty the model upholds and as Wissinger argues this has been the case for decades before Photoshop even existed Both a vividly illustrated historical survey and an incisive critique of fashion media This Year's Model demonstrates the lasting cultural influence of this unique form of embodied labor

Careers in Modeling Kerri O'Donnell,2000-12-15 Discusses everyday duties career opportunities and necessary skills and training in the field of modeling

For the Love of Family Rose Marie Ash,2021-10-20 Miriam Cordell would do anything to protect those closest to her especially her family if put in a position to do so Many years would pass before she would be put in such a position Her thinking of protection would include doing things above the law She had no qualms of doing what she had to do Her marriage to Jack Cordell provided her and their children a very comfortable and happy life This fairy tale existence would abruptly come to an end After visiting her sister she started that long drive down a dark road in the Hollywood hills home Miriam picked up a hitchhiker starting the chain of events that would affect the lives of the Cordell family for the next thirty decades of world wars espionage child ignored by a father bribery sibling rivalry a mother s mistrust and secrets kept and murder Even when the Cordell sons grew into men Jack continued his animosity toward the younger son Trace while twins Jack Jr and Al were doted by their father Miriam knew of her husband s treatment of their youngest son was because of that night she was attacked Jack Jr and Al had blond hair and blue eyes like their father while Trace had dark brown hair and brown eyes like his mother It just added into Jack Sr s belief that Trace was not his son Miriam would bide her time for the right time and place to make Jack believe differently It took a murder for the truth of Trace conception to finally come out but many years later After the murder of Miriam s antagonist Jack pleaded guilty to manslaughter thus protecting his family from the truth of the true murderer Once out of prison Jack kept his secret from Miriam and his sons The whole sorted story would come out in a letter penned by Jack to his sons after he and Miriam had passed away At the end the Cordell sons vowed to help those who suffered in the hands of unscrupulous people no matter what for love of family
