Dreams Ginger Scott, 2016-03-29 Casey Coffield has a growing list of personal flaws he keeps locked away in his head He's never on time His list of IOUs to his best friend is endless Money is always short Goals are never in reach Oh and he's decided to add college drop out to that list too He doesn't really think that last one's such a bad thing but his family insists it is so it stays on the list On paper he's a zero But in person when he's mixing tracks for a sea of bodies at the hottest clubs and parties he's downright irresistible Just right stubble on his chin body of a boxer and a smirk that stimulates all the right nerves women have never been a problem They flock to his swagger and fall for his charm fast All except for this one Purple hair gray eyes a raspy voice and sass Murphy Sullivan is a little bit country and a little bit rock n roll And her and Casey They have history He can't remember it but she wrote a song about him and it's not exactly a love song But it is good Damn good And uncovering her inspiration just might be the key to solving a few of his shortcomings not to mention open doors to his own big break in the music industry But sometimes dreams get messy when they collide Sometimes life changes patterns A past paints the wrong picture and futures get cloudy The only question that remains is who will you choose when the dust
