

Introduction

Ease of operation, maintenance and compactness will soon prove your new "ANGLER" to be one of your prized possessions. From the fast effortless starting to the shock absorber propeller you will find all the most wanted features included in your "ANGLER".

To obtain full benefit of the engineering skill and production care that went into your new "ANGLER" it is important that you operate and maintain your motor as recommended in this owners manual. A little time spent now studying your owners manual may very well save a great deal of time and possibly some expense later.

OWNER'S IDENTIFICATION CARD

Your dealer will supply you with an "Owner's Identification Card" for your motor at the time of purchase. **THIS CARD MUST BE FILLED OUT COMPLETELY BY THE DEALER AND CUSTOMER AT TIME SALE IS COMPLETED.** The owner may present this card to any Evinrude Dealer when making claim for warranty.

Design Features

New for your ANGLER is the gear drive starter employing the principles of automotive type starters. The nylon sliding gear engages the flywheel ring gear as the starter rope is pulled and automatically disengages when the motor starts. The ratio of the sliding gear to the ring gear provides maximum cranking speed with a minimum of pulling effort to insure fast, easy starting.
