Philippa Peters, 2022-07-26 Philippa Peters the second child of four was just six years old when her mother dropped

her off at her godmother's home. In the twinkling of an eye, Peter's life changed drastically as her circumstances meant she had to grow up very quickly, missing out on positive childhood experiences. In *Tough Love*, Peter narrates her powerful, poignant, and engaging story of a young girl who, against all odds, fights to stay on the right track of morality. This memoir tells how she demonstrates courage, perseverance, and resilience in the most difficult of situations and proves that in a negative environment, an individual can choose not to be a product of that environment. Peter communicates that her life's experiences were instrumental in shaping her into the strong, tenacious, and resilient woman she is today. *Tough Love* shares how the author's faith sustained her throughout her experiences while offering a different perspective on domestic child abuse. It chronicles her experience of growing up, overcoming extraordinary challenges, and staying true to faith, family, and friends.

Tough Love Susan Rice, 2020-08-04

Recalling pivotal moments from her dynamic career on the front lines of American diplomacy and foreign policy, Susan E. Rice, National Security Advisor to President Barack Obama and US Ambassador to the United Nations, reveals her surprising story with unflinching candor in this New York Times bestseller. Mother, wife, scholar, diplomat, and fierce champion of American interests and values, Susan Rice powerfully connects the personal and the professional. Taught early with tough love how to compete and excel as an African American woman in settings where people of color are few, Susan now shares the wisdom she learned along the way. Laying bare the family struggles that shaped her early life in Washington, DC, she also examines the ancestral legacies that influenced her. Rice's elders, immigrants on one side and descendants of slaves on the other, had high expectations that each generation would rise. And rise they did, but not without paying it forward in uniform and in the pulpit as educators, community leaders, and public servants. Susan too rose rapidly. She served throughout the Clinton administration, becoming one of the nation's youngest assistant secretaries of state, and later one of President Obama's most trusted advisors. Rice provides an insider's account of some of the most complex issues confronting the United States over three decades, ranging from Black Hawk Down in Somalia to the genocide in Rwanda and the East Africa embassy bombings in the late 1990s, and from conflicts in Libya and Syria to the Ebola epidemic, a secret channel to Iran, and the opening to Cuba during the Obama years. With unmatched insight and characteristic bluntness, she reveals previously untold stories behind recent national security challenges, including confrontations with Russia and China, the war against ISIS, the struggle to contain the fallout from Edward Snowden's NSA leaks, the U.S. response to Russian interference in the 2016 election, and the surreal transition to the Trump administration. Although you might think you know Susan Rice, whose name became synonymous with Benghazi following her Sunday news show appearances after the deadly 2012 terrorist attacks in Libya, now through these pages you truly will know her for the first time. Often mischaracterized by both political opponents and champions, Rice emerges as neither a villain nor a victim, but a strong, resilient, compassionate leader. Intimate, sometimes humorous, but always candid, *Tough Love* makes an urgent appeal to the American public to bridge our dangerous domestic divides in order to preserve our democracy and sustain our

Tough Love Cynthia Burack,2014-02-01 Exposes how ex gay and postabortion ministries operate on a shared system of thought and analyzes their social implications A staple of the culture wars the struggle between Christian conservatives and progressives over sexuality and reproductive rights continues Focusing on ex gay ministries geared to helping same sex attracted people resist their sexuality and postabortion ministries dedicated to leading women who have had an abortion to repent that decision Cynthia Burack argues that both are motivated and characterized by a strain of compassion that is particular to Christian conservatism rather than a bias and hatred toward sexual minorities and sexually active women This compassion reproduces the sexual ideology of the Christian right and absolves Christian conservatives from responsibility for stigma and other forms of harm to postabortive and same sex attracted people Using the democratic theory of Hannah Arendt the popular fiction of Ayn Rand and the psychoanalytic thought of Melanie Klein Burack studies the social and political effects of
