**Before 30 Discipleship English Version** Philip Mantofa, Mulyadi Budiyo, M.A., Robert Kusnadi Bsc., Maria Lusiana M.Pd., 2024-02-01 It is my heart's desire to see the rise of this generation burning with fires of revival. A generation that hungers for the presence of the Holy Spirit and a personal encounter with Christ. A generation that is filled with power to do mighty works to heal the sick to mend the wounded to help the poor and to be an answer for the nation's. A generation whose work and influence are not bounded only within the church vicinity rather their impact can be felt by their immediate families communities at large the entire nation and even by other nations. Churches will experience revival school and campuses will be filled with an excellent generation the market place will be revamped with trustworthy leaders the nation's will rise up from economic social cultural setbacks and shine. I dream to see history being altered by this superior generation. I want to invite you to share the same dream with me in this journey of faith. A journey that alters the history of a generation and nation. Will the dream come true? The answer is with you and me. When we decide to respond to God's calling be faithful in everything that we do walk in His holiness and plan we will see God work wonders. Through this discipleship book I believe that a new generation will rise and light up the nation. The principles contained in this book emanate from my direct personal experience with God. It is not a theoretical teaching but a walk of faith that I have gone through with Him. I want to share my life experience with you and invite you to join in. Prepare your luggage fasten your seat belt we will fly together and enter God's training camp and come out as history changers. Yours for revival Ps Philip Mantofa

*Becoming Whole After Addiction* Clayton R. Hall Jr., PhD, 2017-07-26 The purpose of this work is to show that Christ Centered recovery through biblical counseling produces genuine change in the heart of the addict It proves that the only way for the addict to be free is to find a power a power that is beyond themselves that can free them from addiction That power is the power of the Holy Ghost the power of the risen indwelling presence of Jesus Christ But the only way that this power can rest upon them they only way it can deliver them is for them to confess their weakness and inability to resolve the dilemma of addiction on their own **Blackwood's Edinburgh magazine** ,1844 Blackwood's Magazine ,1844 The Forgiveness of Sins Tim Carter, 2016-08-25 In *The Forgiveness of Sins* Tim Carter examines the significance of forgiveness in a New Testament context delving deep into second century Christian literature on sin and the role of the early church in mitigating it This crucial spiritual issue is at the core of what it means to be Christian and Carter s thorough and erudite examination of this theme is a necessity for any professional or amateur scholar of the early church Carter s far reaching analysis begins with St Luke who is often accused of weakness on the subject of atonement but who in fact uses the phrase forgiveness of sins more frequently than any other New Testament author Carter explores patristic writers both heterodox and orthodox such as Marcion Justin Martyr and Origen He also deepens our understanding of Second Temple Judaism and the theological context in which Christian ideas about atonement developed Useful to both the academic and the pastoral theologian *The Forgiveness of Sins* is a painstaking clear eyed exploration of what forgiveness meant not only to early Christians such as Tertullian Irenaeus and Luke but to Jesus himself and what it means to Christians today The Ethics of Forgiveness Christel Fricke, 2013-03-01 We are often pressed to forgive or in need of forgiveness Wrongdoing is common Even after a perpetrator has been taken to court and punished forgiveness still has a role to play How should a victim and a perpetrator relate to each other outside the courtroom and how should others relate to them Communicating about forgiveness is particularly urgent in cases of civil war and crimes against humanity inside a community where if there were no forgiveness the community would fall apart Forgiveness is governed by social and in particular by moral norms Do those who ask to be forgiven have to fulfil certain conditions for being granted forgiveness And what does the granting of forgiveness consist in We may feel like refusing to forgive those perpetrators who have committed the most horrendous crimes But is such a refusal

justified even if they repent their crimes Could there be a duty for the victim to forgive Can forgiveness be granted by a third party Under which conditions may we forgive ourselves The papers collected in the present volume address all these questions exploring the practice of forgiveness and its normative constraints Topics include the ancient Chinese and the Christian traditions of forgiveness the impact of forgiveness on the moral dignity and self respect of the victim self forgiveness the narrative of forgiveness as well as the limits of forgiveness Such limits may arise from the personal historical or political conditions of wrongdoing or from the emotional constraints of the victims
