**Shameless Love** Larissa Jackson,2020-06-17 It was a Sunday afternoon and best friends Michael and Marcus were playing video games and smoking weed in Marcus bedroom Marcus lived with his mother Cedella on the same council estate as Jamie and his family They had known each other since they were teenagers and were now both nineteen years old and in the same college Michael was Irish as was his mother Lisa and his father Tommy was Scottish Michael also had two sisters Claire and Veronica Having met in secondary school Michael had fallen in love with his best friend s mother from the first time he visited Marcus house Marcus mother was originally from Kingston Jamaica and had moved to the United Kingdom UK When he and Marcus were playing Red Dead Redemption 2 they passed the joint between them smoking The drawer in question was on the right side of the kitchen table and he bent over to open it and pulled out two rolls of tape One roll was gray the other black industrial tape He also saw general tape but he wanted to use tape He could still change his mind and stop he could apologize and run out of the house hoping she wouldn t say anything Instead he took her wrists and put them behind her back pushed her further forward and bent over the table even further Her skirt clad buttocks were now level with his crotch and he held her tight as he first took the black roll of tape and wrapped her wrists tightly three times tying her soft warm chocolate hands together I ve loved you for so long Cedella He said as he knelt down and finally touched her body for the first time he felt the soft nylon on her legs and knew they were tights They were light purple in colour and transparent When he felt her warm legs he put her ankles together and did the

same with them as with her wrists Tied up she tried one last time to reason with Michael hoping he would see reason Michael please don t do this She began to say that her warm affectionate Caribbean accent made Michael s dick get hard as he tore a piece of tape and cut her off in the middle of the sentence with tape in her mouth *Controlled 2 S.
