

A sepia-toned historical illustration of a public square. In the center is a large, ornate fountain with water spraying upwards. The square is filled with people in 19th-century attire. Some are standing, some are sitting on a bench. In the background, there is a large building with multiple windows. Some windows have people looking out. A large flag is flying from a pole on the right side of the building. The overall scene depicts a busy public space from a past era.
