

Comme le laisse supposer le titre de cet essai, nous nous proposons dans les cinq chapitres qui le composent de nous poser des questions et de tenter d'y répondre sur deux thèmes principaux : les tenants et les aboutissants de la tragédie actuelle du monde musulman et les traits caractéristiques de la relation passée, présente et future entre l'Orient et l'Occident.

Dans cette perspective, nous veillerons constamment à ne pas tomber dans les travers de la théorie du complot, et ce en évitant, autant que faire se pourra, nos assertions par des preuves ou en indiquant les sources des informations données. Nous nous garderons aussi d'occulter ou de minimiser la responsabilité primordiale des musulmans, de leurs élites et de leurs dirigeants dans ce qui leur arrive aujourd'hui. Nous solliciterons l'histoire, la géographie et l'actualité internationale et nous emprunterons, inévitablement, des idées aux auteurs qui se sont intéressés à la problématique qui est la nôtre.

Amir NOUR

Chercheur algérien en relations internationales,
intéressé notamment par les interactions
entre l'Orient et l'Occident à travers l'histoire.
