LOVE, HONOUR AND OBEDIENCE

Love Honour And Obedience English Edition

James Weaver (Universalist.)

Love Honour And Obedience English Edition:

The Works of Jonathan Edwards: Volume II □ I Revised Jonathan Edwards, **Reports of Forensic Meetings, held during the year 1848, in connection with the system pursued at the Academy conducted by Mr. Colston, Swansea, etc** John Robert Dawe COLSTON,1849 *The Works of President Edwards ...* Jonathan Edwards,1830 *The Works of President Edwards: Practical sermons* Jonathan Edwards,1830 **Twenty sermons. Practical sermons** Jonathan Edwards,1829 **The Works of President Edwards. Edited by E. Williams and E. Parsons. With Memoirs of His Life by S. Hopkins** Jonathan Edwards,1817 *Explanation of Deharbe's small catechism* Jacob Schmitt,1894 Catholic Champion ,1890 Affective Authority: Passions, Morality and Governance in Early Modern England Linda A. Linda Pollock,2025-06-10 Throws new light on the history of emotions as well as on cultural norms and elite governance in early modern English society This book investigates the intimate connection between emotion and morality in the landed ranks in England from 1580 to 1700 reintegrating the artificially separated spheres of emotions and ethics It argues that long before the modern eighteenth century emotions lay at the core of early modern ethics virtues and passions were fused and affect underpinned authority Passions affections and ethics were intertwined and must be understood together feelings enabled and constituted ethical conduct and were often mandated obligations while cultural norms were based on affective concepts Through a detailed analysis of four key affective values love gratitude repentance and obedience the book throws new light on the history of emotions as well as on cultural norms and elite governance in early modern English society The book merges social cultural and intellectual history It explores how ideals and concepts were practiced in daily life emphasizes the importance of the domestic familial world for the understanding and exercise of public authority and governance and insists on the centrality of the passions and affections to early modern morality It contributes to the history of emotions by reconnecting affect and ethics advances the history of English society by showing how authority was based on affect thus demonstrating the relevance of emotion to larger historical issues **Conduct Literature and the Politics of the Stage Controversy, 1689-1728** Chih-Hsin Huang,2025-06-10 Examines the struggle between factions debating the morality and impact on public behaviour of the theatre following the Glorious Revolution and the political significance of public feeling around this controversy In 1698 the Jacobite clergyman Jeremy Collier published his famous pamphlet in which he attacked a number of prominent playwrights on the grounds that their work contained profanity blasphemy and indecency and therefore was undermining public morality He called for the closure of the stage and in so doing sparked vigorous public debates that lasted for three decades This book investigates the relationship between this Stage Controversy and the period of political instability evident in Britain in the aftermath of the Glorious Revolution Instead of adopting the definition of the Stage Controversy as a pamphlet war and as a literary or moral event Huang argues that in both pamphlets and plays especially reform comedies the discussions of conduct were employed to make political points The book characterizes this controversy

as a competition for public opinion and support in which the stage controversialists sought to convince the audiences of the rightness of their interpretations of behaviour in drama Contributing to debates about the nature of post revolutionary political thinking and action this work will be of great interest and use to scholars and students of the political social and cultural history of late seventeenth and early eighteenth century England k characterizes this controversy as a competition for public opinion and support in which the stage controversialists sought to convince the audiences of the rightness of their interpretations of behaviour in drama Contributing to debates about the nature of post revolutionary political thinking and action this work will be of great interest and use to scholars and students of the political social and cultural history of late seventeenth and early eighteenth century England k characterizes this controversy as a competition for public opinion and support in which the stage controversialists sought to convince the audiences of the rightness of their interpretations of behaviour in drama Contributing to debates about the nature of post revolutionary political thinking and action this work will be of great interest and use to scholars and students of the political social and cultural history of late seventeenth and early eighteenth century England k characterizes this controversy as a competition for public opinion and support in which the stage controversialists sought to convince the audiences of the rightness of their interpretations of behaviour in drama Contributing to debates about the nature of post revolutionary political thinking and action this work will be of great interest and use to scholars and students of the political social and cultural history of late seventeenth and early eighteenth century England

Free thoughts on the universal restoration of all lapsed intelligences from the ruins of the fall: ... also some questions proposed by the Calvinist ... to which are added a few thoughts on the origin of evil, in answer to late author James Weaver (Universalist.),1792

A companion to the Catechism (ordered by the national synod of Maynooth). Roman Catholic church Ireland,1886

The Reign of Grace from its Rise to its Consummation. With a preface by Henry Venn Abraham Booth,1795

Women, Feminism and Religion in Early Enlightenment England Sarah Louise Trethewey Apetrei,2010-04-22

A pioneering study of the origins of feminist thought in late seventeenth century England

The Love of Mary D. Roberto,2009 Written by a Hermit of Monte Corona A treasury of magnificent truths and inspiring stories about the Blessed Virgin Mary and her great love for us Shows that we have a powerful friend and gracious Mother in Heaven Describes her beauty power and immense graces and her eagerness to share these riches of grace with us her children A book about Mary that people fall in love with Beautiful
