Surrogate Girlfriend Devna,2016-10-03 Everything seemed like a beautiful dream beautiful calm and out of the world like an early morning stroll along the beach The feeling was mutual But somewhere along the road she fell she fell face first An accident or she had tripped she thought A few steps later she fell again Something was not right She stretched her hand to be picked when she fell again This time she understood that she hadn t fallen but had been knocked down Too exhausted to pick herself up she lay there with her face covered in sand The waves that touched her mocked her and some informed they had warned her earlier She wanted to give up but thought it would be futile When she opened her eyes he was gone with someone else She learnt to pick herself up this time She understood what fighting back was She dusted off her bruises and brushed off her wounds and started walking alone She had come very very far She looked back and smiled knowing what she had become Surrogate Girlfriend **Fade into Red** Reshma K Barshikar,2014-06-19 Twenty something investment

banker Ayra had always wanted to be an art historian till it occurred to her that art history couldn't possibly support her penchant for beautiful shoes. One monsoon day she was sent to Rome on a last minute assignment with a star client. What should have been a four day trip turns into a two week treasure hunt placing her bang in the middle of dodgy vintners and midnight deals rolling Tuscan hills and a millionaire playboy who's out to taste more than just the wine.

God Loved Her with High Heels Varsha Pratap, 2015-04-02 This book is inspired by my deep interaction with Buddhist monk from South East Asia and by the right seeds of spirituality sown in me by my Guru. This story is an attempt to bring to light the energies and wisdoms of our soul that leads us to the divine master within us which unites us with the powers of the universe. Laila was a child reared with wisdom imparted to her by her wise German mother Andrea and her worldly wise businessman father Anand Mallya of Chennai. The duality of her parenting led to the crisis within her which the proceeding chapters unravel telling the tale of compulsion that led her to seek the truth of her own existence and to change luck on life's path. The crises of her soul began in her as a medical student where she lost her serenity and soulfulness to the books that were never meant for her but was making long silent promises of a bright future. This by the grace of her soul led her to find temporary solace in the glamorous high heels which brought her unfelt joy. Material as the unwise believes is not the domain of all souls and that a soul is meant to be above the material pleasures of the world. This is true only for the advanced souls the ones who have experienced the pleasures of the world that an advancing soul was meant to experience in the realm of this world in a lifetime. As time rolled on she realised that this wasn't enough of a measure to provide her with the keys of the door that her advanced soul was meant to unlock as she has soaked in the material pleasures of this world for a long time.

Mittal,2025-02-22 In the heart of Chennai a city that pulses with relentless energy and timeless tradition Kiara a young woman just beginning her career embarks on a journey that promises the thrill of discovery and the allure of new beginnings Her dreams of adventure and success seem boundless until the past casts a shadow over her vibrant present One serene night a call from the darkness pierces through her calm A voice laden with sorrow and yearning reaches out from a time long gone awakening memories of a passionate but troubled love affair As the husky tones and trembling breaths echo through the night Kiara is drawn back to a story of love and loss that nearly shattered her world The story unfolds the dance of fate intertwining hearts across time and space It is a tale of beauty and betrayal where the pursuit of love is marred by the harshness of reality and the delicate strands of destiny Amidst the romance and turmoil Kiara must confront the echoes of her past and the choices that bind her heart Immerse yourself in a world where the past whispers through the corridors of the present where every choice has a price every memory leaves a mark on the heart and every heartbeat carries the weight of unspoken truths and undying love Some are destined to find and Savor true love while others are left with only fleeting glimpses and poignant memories
