with payback that's even more humiliating. Coming to her boyfriend's defense, Miranda is as devious as she is sexy, and she's got her own way of putting Jack in his place. Pretending to take his side, she says she's convinced her boyfriend to book him a free check-up for the bruise on his jaw. In the meantime, she's got pills that should keep down any swelling. But as Jack arrives at the medical facility, he's in for two big surprises. First, Miranda's pill is rapidly turning him into a sexy, busty, helplessly horny woman, and second, Miranda's boyfriend isn't just paying for check-up; he's the doctor who's going to be giving the exam. Miranda plans to have a front-row seat as her boyfriend starts to take liberties with his new patient that Jack turned. Jill simply can't bring herself to refuse. **Reader Advisory:** This story is for mature audiences only and features intensely erotic situations, femdom, humiliation, feminization, gender swap, bimbofication, and the use of potent aphrodisiacs, rough sex, sexual manipulation, submissiveness, and dominance. All characters are 18 or older. **The Story of Simon** Rachel

Loewen, 2020-09-22 Oh God, Kate, what the hell have you talked me into? Only the best night of your entire life, Simon, and you can thank me later. Simon knows nothing about the fetish scene. His only experience with dominant women was his last girlfriend. But that taste has left him longing for more. He dreams of meeting a Mistress to help him explore his interest in femdom. After a drunken confession to his friend Kate, she persuades him to join her at a BDSM club. Innocent and out of his depth, what would possibly go wrong? Simon hopes this exotic new world will offer him everything he craves. Too shy to find a partner, he lets Kate push him into another bad decision, signing up for the slave auction. Falling into dangerous hands, he becomes a pawn in a terrifying game. Will chasing his fantasies bring Simon everything he desires, or will he live to regret it? This story definitely built suspense. I think this story showed that romantic relationships can come in so many different forms. Just because someone's relationship is different from what society deems as normal doesn't mean it's not full of love. I'd recommend it to anyone that enjoys romance novels. **Addicted to the Mistress** Alex

Jordaine, 2016-07-22 David Warren has disappeared, and confidential investigator Mark Collins has been hired to try and find him. Mark's search turns into a thrilling personal odyssey as he becomes increasingly drawn into the deviant world of erotic domination and submission, to which he discovers the elusive David now belongs. Mark's investigations lead him to the vivacious and stunning Sarah, who is heavily into BDSM. She awakens a dark and perverse sexuality and submissiveness within him, and they fall madly in love. Mark finds out that David has become the slave of a mysterious dominatrix called Alyssa, who subjects him to a strict and constant disciplinary regime in her remote country residence. When Mark, with Sarah's assistance, finally tracks them down, he is alarmed at some of the sexual humiliation he witnesses being inflicted on David by Alyssa when working in unholy alliance with her equally formidable Lady Sonja. It seems to Mark to go beyond the level of kinky role play and to be needlessly manipulative and cruel. But he discovers that all is not what it seems. **Kinky Female Domination Bundle** Dominique Paige, 2019-09-04 This FemDom collection will blow your mind. My BBW Mistress. Gender Swap in the Family (Taboo Gender Swap Medical Exam and Femdom Humiliation Erotica) Nina Nauheim, 2015-11-21 When Chris's attractive new stepmother catches him watching violent porn while home for college break he's mortified but sure she won't dare get him in trouble He couldn't be more wrong She's gone all afternoon and when she comes back she's scheduled him for a doctor's visit and found a very special pill for him to take and he better not argue But maybe he should have tried because overnight the snide young man finds himself turned into a very confused and very horny bimbo His stepmother says it'll teach him a lesson in seeing the other side of those demeaning porn scenes but all Chrissy seems to be learning is how much her new body expects the doctor's appointment to turn into something more and once the doctor gets his hands on the voluptuous girl on his exam table it won't take long before he starts getting similar thoughts Reader Advisory This story is for mature audiences only and features intensely erotic situations femdom humiliation feminization gender swap medical examination bimbofication and the use of potent aphrodisiacs rough sex sexual manipulation submissiveness and dominance All characters are 18 or older Excerpt Her face was cool and a little revolted as she pushed open my door but she was walking with purpose and authority that I couldn't ignore Here she said holding out a pill and a glass of water Take this What is it Did I tell you that you could ask questions you little brat I had to go all over town to find that Take it and say thank you Dubiously I looked at the pill and then back up at her The expression on her face beautiful but more than a little frightening was enough to stop any further objections Reluctantly I swallowed the pill It was very bitter I'll see you in the morning she said smiling Her expression seemed just the littlest bit sadistic but then she was gone I sat on the bed wondering what was going on Notice This title includes themes and passages that have been adapted from Jessica Whitethread's *The Doctor Takes Advantage* with full consent of the original author

Mistress Mia's Femdom Sissy Sessions Maitland Kelly (author), 1901 **Gender Swap at the Doctor's (Gender Swap Medical Exam and Femdom Humiliation Erotica)** Nina Nauheim, 2015-11-07 James Clark is not happy about his

work mandated doctor's appointment and he's not shy about letting Nurse Lasking know about it in the waiting room. But when he goes a comment too far, the beautiful but vindictive nurse decides to pencil him in for something a bit more educational: a female pelvic exam. And she's got just the drug that'll make him the perfect fit for it. In the blink of an eye, the arrogant blustering man has become a very confused and very horny bimbo just waiting for the doctor to show up and give her voluptuous new body the aggressive treatment it so desperately needs.

Reader Advisory: This story is for mature audiences only and features intensely erotic situations, femdom, humiliation, feminization, gender swap, bimbofication, and the use of potent aphrodisiacs, rough sex, sexual manipulation, submissiveness, and dominance. All characters are 18 or older.

Excerpt: "What I asked and was amazed to hear the sound of my own voice had changed. It was now high, body-less, and breathy in a very sensual way. Had I really just made that sound? What's going on? Oh, you don't get it," she mocked. "Well, I guess the treatment is supposed to make you a bit empty-headed. At least that's in the precautionary information I felt at my face, and the obvious started to sink in. You, you! Turned you into a woman, yes," she gloated. "Who knew it would be so easy? And here I was resigned to just another boring Monday. She closed the door behind her and stepped into the room. And what a body too," she said. "You said you liked nice tits, right? Well, now you've got quite a pair yourself. Maybe that'll help you stop obsessing about mine and every other poor girl who's just trying to earn a living without having to deal with assholes like you." I am starting to feel the other side effects, she asked. "The ah, excitability. They say it makes you pretty excitable." Excitable? I closed my eyes and shook my head again. "Horny. It makes you a horny little slut just waiting to be passed around." My eyes flew open at her words. "I don't worry, I've got you scheduled for a pelvic exam with one of our best doctors. He can get a little rough. I hear, but something tells me you won't object." She gave me a wicked smile. I steadied myself with a hand and tried to stand up, but I fell back against the exam table. She laughed cruelly. "Maybe you'll learn something from all of this. Maybe not. I don't have high hopes for you, but at the very least, maybe you'll think twice before running your mouth in my waiting room again. And with that, she stepped out and let the door fall closed behind her. EROTICA: Gender Swapping the Doctor (Femdom Humiliation and Gender Swap Medical Erotica) Nina Nauheim, 2017-07-13

The Montgomery Clinic is a bit of an old boy's club, and no one plays the game better than Dr. John Bratton. Even though he's still young, he's got all the right connections and all the right diplomas to get away with pretty much anything he wants. So when several nurses complain to the administration that he's too handsy with his female patients, not to mention with them, he gets a slap on the wrist. But the attractive nurses are more than tired of his lewd comments and decide he hasn't come close to learning his lesson. When they stumble across an experimental medication, they realize they have the perfect solution. To show the arrogant young doctor how the clinic really treats women, they decide to make him one. Before they're done with him, Dr. Bratton is going to have a very good idea of what it feels like to be used and objectified. Peak inside to see all the
