Performance Hanna B Hölling, Jules Pelta Feldman, Emilie Magnin, 2023-11-01 This book focuses on performance and performance based artworks as seen through the lens of conservation which has long been overlooked in the larger theoretical debates about whether and how performance remains Unraveling the complexities involved in the conservation of performance Performance The Ethics and the Politics of Conservation and Care vol 1 brings this new understanding to bear in examining performance as an object of study experience acquisition and care In so doing it presents both theoretical frameworks and functional paradigms for thinking about and enacting the conservation of performance Further while the conservation of performance is undertheorized performance is nevertheless increasingly entering the art market and the museum meaning that there is an urgent need for discourse on how to care for these works long term In recent years a few pioneering conservators curators and scholars have begun to create frameworks for the longterm care of performance This volume presents explicates and contextualizes their

work so that a larger discourse can commence It will thus serve the needs of conservation students and professors for whom literature on this subject is sorely needed This interdisciplinary book thus implements a novel rethinking of performance that will challenge and revitalize its conception in many fields such as art history theater performance studies heritage studies and anthropology **Monographic Series** Library of Congress, **The Autocar** ,1910
