Roper, 2019-11-15 2021 winner of Edited Works category New Jersey Studies Academic Alliance In 1970 Kenneth Gibson was elected as Newark New Jersey's first African American mayor a position he held for an impressive sixteen years Yet even as Gibson served as a trailblazer for black politicians he presided over a troubled time in the city's history as Newark's industries declined and its crime and unemployment rates soared This book offers a balanced assessment of Gibson's leadership and his legacy from the perspectives of the people most deeply immersed in 1970s and 1980s Newark politics city employees politicians activists journalists educators and even fellow big city mayors like David Dinkins The contributors include many of Gibson's harshest critics as well as some of his closest supporters friends and family members culminating in an exclusive interview with Gibson himself reflecting on his time in office Together these accounts provide readers with a compelling inside look at a city in crisis a city that had been rocked by riots three years before Gibson took office and one that Harper's magazine named America's worst city at the start of his second term At its heart it raises a question that is still relevant today how should we evaluate a leader who faced major structural and economic challenges but never delivered all the hope and change he promised voters **Banking Information**
