

## Sunward Christian Academy [PAT 2020]

---

### Phase 1

Name: \_\_\_\_\_ Due Date: 7 May 2020

### Task 1: Task definition and information finding strategies

In completing this task, you will be required to:

- Provide a broad description of the task or the problem that you have to solve in your own words – part of it has already been given in the topic section. Expand on it to describe in your own words exactly what needs to be done.
- Formulate the main question or key objective (i.e. what is the entire task about?).
- Ask questions that will provide the type and amount of information that will satisfy the definition of the problem and solve the problem. Your questions should portray different types of thinking:

|                        |                                                                                                                                                  |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------|
| Closed-ended question: | Can be answered with a single word or short phrase, or with 'yes' or 'no'. Gives facts, is easy and quick to answer.                             |
| Open-ended question:   | Requires a longer, more developed answer, needs reflection, gives opinions, may require investigation/research. Cannot be answered with 'yes' or |

- Questions should also be categorised according to question category, i.e. factual, investigative, comparison and change.
