Fierce Competition A Novella:

The Novel and Theatrical Imagination in Early Modern China Chun Mei, 2011-01-07 Using the concept of theatricality to study Water Margin and Journey to the West this study illustrates how writing and reading in early modern China became fused with a theatrical imagination in response to destabilizing social and political forces *Handbook of the American Novel of the Nineteenth Century* Christine Gerhardt, 2018-06-11 This handbook offers students and researchers a compact introduction to the nineteenth century American novel in the light of current debates theoretical concepts and critical methodologies The volume turns to the nineteenth century as a formative era in American literary history a time that saw both the rise of the novel as a genre and the emergence of an independent confident American culture A broad range of concise essays by European and American scholars demonstrates how some of America's most well known and influential novels responded to and participated in the radical transformations that characterized American culture between the early republic and the age of imperial expansion Part I consists of 7 systematic essays on key historical and critical frameworks including debates about race and citizenship transnationalism environmentalism and print culture as well as sentimentalism romance and the gothic realism and naturalism Part II provides 22 essays on individual novels each combining an introduction to relevant cultural contexts with a fresh close reading and the discussion of critical perspectives shaped by literary and cultural theory [When I Loved You Vol. 1 \(novel\)](#) Ryu Hyang, 2024-10-22 Yiyoun Yoon has always fought for everything she's had With her family struggling under her mother's illness and her father's job loss she learns early that success is earned not given A full ride scholarship to a prestigious school gives her a glimpse of a life she's always dreamed of but the world of privilege and ruthless ambition soon shows her the cost of her dream In that world there's Muyeol Cha a loner with a cold heart hiding a darker secret As they grow closer Yiyoun learns not everything is as it seems Years pass Life pulls them apart But a promise they made binds them together Now thirteen years later Muyeol returns to claim what was once promised and the past resurfaces Time has changed them both but can they still find beauty in the life they were meant to share **Riverbay Road Men's Dormitory (Novel) Vol. 1** Fei Tian Ye Xiang, 2025-04-15 Multimillionaire director Zhang Yuwen has it all fame fortune and a successful career But what he really craves is to create a novel he can call true art Fueled by this passion he abandons the film industry to pursue writing full time only to hit an unexpected roadblock his characters feel flat and inauthentic The problem Zhang Yuwen has spent most of his life as a loner with little real world interactions As a single gay man with a luxurious yet empty villa Zhang Yuwen comes up with a solution rent rooms to other gay men and use them as inspiration Enter his four new roommates Yan Jun a single father Chen Hong a fitness coach Zheng Weize a shy young livestreamer and Chang Jinxing a playboy and aspiring photographer all unique men and perfect subjects for Zhang Yuwen to study But as Zhang Yuwen dives deeper into their lives one question remains can these five very different men manage to coexist long enough for him to finish his masterpiece Or will the chaos of living together become the

real story *The Saint's Magic Power is Omnipotent (Light Novel) Vol. 6* Yuka Tachibana, Yasuyuki Syuri, 2022-02-24 Sei's life has just returned to a semblance of normal when she's once more summoned to the palace. A foreign prince is coming to the kingdom ostensibly to study abroad but his true intentions are shrouded in mystery. In order to protect Sei, the kingdom instructs her to hide her true identity as the Saint and retreat to the safety of the palace. While she complies at first, she soon finds herself drawn to the prince, especially when it becomes clear that she might be the only person who can help him.

The Man Who Cried I Am: A Novel John A. Williams, 2023-11-21 Rediscover the sensational 1967 literary thriller that captures the bitter struggles of postwar Black intellectuals and artists. With a foreword by Ishmael Reed and a new introduction by Merve Emre about how this explosive novel laid bare America's racial fault lines, Max Reddick, a novelist, journalist, and presidential speechwriter, has spent his career struggling against the riptide of race in America. Now terminally ill, he has nothing left to lose. An expat for many years, Max returns to Europe one last time to settle an old debt with his estranged Dutch wife Margrit and to attend the Paris funeral of his friend, rival, and mentor Harry Ames, a character loosely modelled on Richard Wright. In Amsterdam, among Harry's papers, Max uncovers explosive secret government documents outlining King Alfred's plan to be implemented in the event of widespread racial unrest and aiming to terminate once and for all the minority threat to the whole of the American society. Realizing that Harry has been assassinated, Max must risk everything to get the documents to the one man who can help. Greeted as a masterpiece when it was published in 1967, *The Man Who Cried I Am* stakes out a range of experience rarely seen in American fiction, from the life of a Black GI to the ferment of postcolonial Africa to an insider's view of Washington politics in the era of segregation and the Civil Rights Movement, including fictionalized portraits of Martin Luther King Jr. and Malcolm X. John A. Williams and his lost classic are overdue for rediscovery. Few novels have so deliberately blurred the boundaries between fiction and reality as *The Man Who Cried I Am*. 1967 and many of its early readers assumed the King Alfred plan was real. In her introduction, Merve Emre examines the gonzo marketing plan behind the novel that fueled this confusion and prompted an FBI investigation. This deluxe paperback also includes a new foreword by novelist Ishmael Reed. It is a blockbuster, a hydrogen bomb. This is a book white people are not ready to read yet, neither are most Black people who read. But it is the milestone produced since *Native Son*. Besides which, and where I should begin, it is a damn beautifully written book. Chester Himes. Magnificent, obviously, in the Baldwin and Ellison class. John Fowles. If *The Man Who Cried I Am* were a painting, it would be done by Bruegel or Bosch. The madness and the dance is never-ending display of humanity trying to creep past inevitable Fate. Walter Mosely. [The Infidel: The SS Occult Conspiracy, A Novel](#) John Scott Gruner, 2021-09-06 *THE INFIDEL: The SS Occult Conspiracy* is a supernatural historical thriller set inside Nazi Germany. Not a doctrinaire Nazi SS Lieutenant Ernst Teschler discovers Himmler's SS occult activities, then co-opts their European bank channels to impede the coming Holocaust. His mission is derailed when he discovers that his childhood mentor Dr. Dietrich Bonhoeffer is a spy set against Hitler. *THE INFIDEL*

exposes the historical SS occult conspiracy against the Jews and the church As fiction based on fact the story underscores the courageous impact of the few who dared to take a stand against the Nazi regime THE INFIDEL is fiction based upon facts that have been thoroughly researched by John Scott Gruner The novel exposes the dark supernatural intrigue inside of the SS Corps For over two decades Mr Gruner s historical research into World War II Himmler s SS operations the German Church and the plight of the Jews in the Holocaust has taken him to New York Europe and Jerusalem to interview Holocaust survivors and historians

Novel Approaches to Organizational Project Management Research Nathalie Drouin,Ralf Müller,Shankar Sankaran,2013

Project management PM traditionally employed to implement projects has developed into Organizational Project Management as organizations are increasingly using projects to deliver strategies The emergence of program and portfolio management has also contributed to this move PM researchers need to become more innovative in their research approaches They need to connect with the broader currents of social science in relevant fields such as organization theory Outside the

specific field there is a great deal that can usefully be imported transformed and translated so that it is fit for project management research purposes More trans disciplinary translational and transformational approaches for conducting project related research are required and this book goes a long way to providing foundations for them The book encompasses reflections on fundamental questions underlying any research such as the type of knowledge sought as well as the epistemological and ontological assumptions It broadens research methods and theory perspectives drawing on contemporary approaches such as action research soft systems methodology activity theory actor network theory and other approaches adopted in related scientific and technological areas that are only recently being adopted To achieve this the book s editors have necessarily been eclectically interdisciplinary in their contributor list They have included contemporary research methods and designs from areas allied to project research such as organization science organizational studies sociology behavioral science and biology providing innovative invitations to research design and methodological choice Overall this book makes a significant contribution to the maturation and development of project management research as a specialty in the broader social sciences one that is a less reliant handmaiden or under laborer to purely technical issues but which appreciates that any material construction is always a social construction as well one that implies episteme and phronesis knowledge and wisdom as well as techne or technique Project managers may not realize it but the most important aspects of what they manage are the meanings interpretations and politics of projects and not merely the technical aspects Series Advances in Organization Studies Vol 29 Subject Project Management Business Administration Organizational Studies
