L Towne

His Scottish Pet Dom Of The Ages:

His Scottish Pet Red Phoenix,2014-01-11 In the 1400s Ryce Leon moves to Scotland to escape the horrors of his past The lusty Englishman is content to wear kilts and share his unique talents with the satisfied lasses of Rannoch However fate brings a forsaken young waif into his life Chrisselle Buchanan What begins as a simple pairing of Master and pet evolves into something powerful with the potential to free Ryce from his unbearable curse Extended Description Ryce Leon is a Master of exceptional experience introducing the women of Rannoch to his rare skills Unbeknownst to them he hides a tragic secret one that forces him to move from place to place never putting down roots for fear of discovery He has learned the terrible price of love and will not suffer such loss again When the dying Chrisselle is thrust upon him he is determined to rid himself of her as soon as she recovers However the Scottish waif s brave spirit and curious nature eventually break down his defenses It is clear that fate has brought them together but Ryce knows from experience that fate can be a cruel mistress
