## **Hiscox Manual For Deacons:**

*Deacon Training* Kate Ward-Turner, 2008-05 Indifference toward deacon development places the church in a precarious state By and large congregations stand to be weakened by deacons who have not discovered the exciting possibilities of the office When pastor and congregation disregard the need to have trained deacons the office is allowed to recede into one of mere honor rather than service established in Christ On the other hand trained deacons or those in training discover exciting opportunities with which the office of deacons is filled They come to perceive the office as one of service rather than honor The church is strengthened exceedingly by their effective and efficient leadership under the sight of the pastor Unquestionable God is looking for a special breed of deacons a New Testament breed who are Spirit filled and qualified To say that deacons are qualified is to say also that they are trained for the work of deacons **The Standard Manual for**

**The Emerging Role of Deacons** Charles W. Deweese, 1979 A summary of the biblical historical and practical role of deacons in the church

The Seven Lonnie Davis Wesley, III, 2020-11-11 Do you know what it means to be a deacon Is this office in the church still relevant today Dr Lonnie Davis Wesley believes that deacons have an important role to play but that church traditions and failures in leadership and education have often made deacons ineffective or given them tasks to which they are not called and for which they are not equipped He goes back to the first deacons chosen and set apart in Acts 6 for a model for the ministry of deacons in the modern church In doing so he finds that we need to re learn and re apply the lessons of scripture and history so that the church can be fully effective in ministry

The Seven Taking a Closer Look at What It Means to Be a Deacon is a comprehensive guide to reforming and recharging your church s deacon ministry It includes guides to help you develop an education program to prepare deacons for ministry and to aid your congregation in supporting that ministry This book may be read by individuals but it will find its greatest use as a tool for building a strong deacon ministry in any congregation

Darby, 2018-04-18 The Contemporary Christian Education Handbook is written in a simplistic easy to read style It has numerous illustrations and is filled with a multitude of Scripture passages There are sections on Growing Sunday Schools Effective Teaching Methods Job Descriptions Youth and Christian Education Ministry ideas and much more It is one of the few books that gives a comprehensive overview of how to build an effective Christian education program in a fast pace world Innovative ideas are needed in todays Church to enhance Church growth and to develop Christian character The resources and the ideas shared in Contemporary Christian Education are much needed in a world that has been conditioned to expect innovative ways of achieving the goals and the objectives of the Church The simple reading style and the wide ranging of information listed in the book is a product of over thirty years of Christian education ministry serving as a pastor Christian education director and part time Seminary instructor Contemporary Christian Education is truly a labor of love for the Church and our Lord and Savior Jesus Christ It is hoped that those who read this book will be inspired to seek additional spiritual resources to increase their knowledge of Christian education
