## **Histoire Du Quebec:**

*Catholic Origins of Quebec's Quiet Revolution, 1931-1970* Michael Gauvreau, 2005-11-14 The Catholic Origins of Quebec's Quiet Revolution challenges a version of history central to modern Quebec's understanding of itself that the Quiet Revolution began in the 1960s as a secular vision of state and society which rapidly displaced an obsolete clericalized Catholicism. Michael Gauvreau argues that organizations such as Catholic youth movements played a central role in formulating the Catholic ideology underlying the Quiet Revolution and that ordinary Quebecers experienced the Quiet Revolution primarily through a series of transformations in the expression of their Catholic identity. Providing a new understanding of Catholicism's place in twentieth-century Quebec, Gauvreau reveals that Catholicism was not only increasingly dominated by the priorities of laypeople but was also the central force in Quebec's cultural transformation. He makes it clear that from the 1930s to the 1960s the Church espoused a particularly radical understanding of modernity, especially in the areas of youth, gender, identities, marriage, and family.

**Le Québec: Genèse et mutations du territoire; Synthèse de géographie historique** Serge Courville, 2009-01-01 In this richly documented work, Serge Courville tells the geographical history of Quebec from the appearance of the first humans through to the present day. This detailed and erudite book maps major stages of Quebec's development, providing a geographical record of the many social relationships that over time created a sense of place. Landscape, Courville shows, is the keeper of memory, the record of successive changes and a witness to the genesis of the new. Places that were once agricultural, then left to waste and ruin, are today revived by tourism. Areas that now house office buildings were long ago open playgrounds where children ruled. Drawing on vast research, Courville shows how, in spite of the turbulence Quebec often endures, or perhaps because of it, the land itself may be seen as an important participant in the history of its peoples. Quebec: A Historical Geography was originally published by Les Presses de l'Université Laval as *Le Québec: Genèse et mutations du territoire*.

**A Short History of Quebec** John A. Dickinson, Brian Young, 2008-09-19 John A. Dickinson and Brian Young bring a refreshing perspective to the history of Quebec, focusing on the social and economic development of the region as well as the identity issues of its diverse peoples. This revised fourth edition covers Quebec's recent political history and includes an updated bibliography and chronology and new illustrations. A Canadian classic, *A Short History of Quebec* now takes into account such issues as the 1995 referendum, recent ideological shifts, and societal changes. It considers Quebec's place in North America in the light of NAFTA and offers reflections on the Grrard Bouchard Charles Taylor Commission on Accommodation and Cultural Differences in 2008.

L'histoire du Québec par ses rues Québec (Prov.) Min. Communications. Dir. Gén. de l'Édition. Centre Documentation, 1980.

The Social History of Ideas in Quebec, 1760-1896 Yvan Lamonde, 2013-05-01 In *The Social History of Ideas in Quebec, 1760-1896*, Yvan Lamonde traces the province's political and intellectual development from the British Conquest to the election of Prime Minister Wilfrid Laurier. From the individuals who formulated them to the networks in which they circulated

to their reception Yvan Lamonde focuses on ideas at work and their role in shaping Quebec history The mapping of a complete intellectual circuit allows Lamonde to follow the strains of ideological debates monarchism liberalism republicanism democracy revolution ultramontanist nationalism over more than a century His work is informed by an encyclopaedic reading of the print culture of the period and the book conveys a profound and nuanced knowledge of the social context and cultural channels educational institutions newspapers the book trade in which intellectual debate occurred Lamonde argues that while these ideas concerned politics they went beyond the political they were a fundamental and everyday element of civic society that was expressed in the public sphere through pamphlets the popular press and sermons Lamonde's scrutiny of public opinion in Quebec allows him to place such currents of thought in the colony's international context that of France England Rome the United States and their respective metropolises *The Social History of Ideas in Quebec 1760-1896* covers a volatile time in the province's history from the end of the French Regime through the American invasion the War of 1812 and the Rebellions in Lower Canada capturing the cultural ascension of a society and the foundations of Quebec identity

**Contemporary Federalist Thought in Quebec** Antoine Brousseau Desaulniers, Stéphan Savard, 2023-06-15 Quebec's most recent attempts to assert its distinctiveness within Canada have relied on unilateral constitutional means to strengthen its French and secular character suggesting that an important change of political culture has taken place in Quebec With its diverse team of researchers *Contemporary Federalist Thought in Quebec* considers the recent history of the debate that once threatened Canada with disjunction exploring the federalist thought that continues to shape constitutional debate in Quebec Examining historical perspectives from 1950 to the present day the volume draws portraits of the key actors in the federalist movement including political leaders intellectuals academics activists and spokespersons for pressure groups comparing their various outlooks interventions and values and examining the ties that bind these actors to the sense of nationalism that emerged during Quebec's Quiet Revolution Taking a multidisciplinary approach *Contemporary Federalist Thought in Quebec* casts new light on the continuing debate surrounding Quebec's place in Canada and gives nuance to what is traditionally conceived as a rigid opposition between sovereigntists and federalists in the province [Making History in](#)

[Twentieth-century Quebec](#) Ronald Rudin, 1997-01-01 The first comprehensive examination of the way French speaking Quebecers have written about their past in the 20th century Rudin's analysis offers new ways of thinking about Quebec society over the course of this century **Quebec and Its Historians** Serge Gagnon, 1998-03-24 Priest ridden and church dominated Québec that is what most Canadians thought about Quebec social and intellectual life until recently For a century historical scholarship did not escape clerical influence nor that nationalism which emanated from a people conscious that their nation had been defeated and colonized by the British Bring on the Jesuits and their devotion to the Church French civilization and the conversion of the Amerindians That era has now passed as Université du Québec historian Serge Gagnon reveals in this searching study of Quebec historiography during the past quarter century In the persons of Louise

Dech ne and Fernand Ouellet Quebec has produced two of the most innovative and imaginative practitioners of the new social history Not only are the questions asked of the past much more intriguing but these two historians have assiduously mined new primary sources in order to provide fresh approaches that clarify our understanding of QuebecOCO's evolution Gagnon is best at providing a penetrating evaluation and critique of the work of these two major historians His book is a series of particular studies rather than a comprehensive synthesis The author is relatively unconvincing in his attempt to draw associations between the OC Quiet RevolutionOCO of the 1960s and the historical craft His chapter on changing views of the Canadian sixteenth century fails to pull together the earlier historians that he discusses with more recent ones Sometimes he falls into the common vice of the historiographer by lapsing into bibliography GagnonOCO's fine analyses of the work of Dech ne and Ouellet make this a valuable study for anyone interested in the interpretation of history What the book so clearly shows is that what each generation considers as history is deeply rooted within intellectual traditions and contemporary concerns The translation is commendable but does anyone know what OC economismOCO is *Quebec: A History 1867-1929* Paul-André Linteau,René Durocher,Jean-Claude Robert,1983-01-01 List of Tables List of Maps List of Figures Preface PART I LAND AND POPULATION 1867 1929 1 The Land An American Land The Settlement of the Land The Shaping of Physical Space 2 Transactions of the Literary and Historical Society of Quebec Literary and Historical Society of Quebec,1927 **Sessional Papers ... Legislature of the Province of Quebec ...** Québec (Province). Legislature,1876

*Contemporary Quebec* Michael D. Behiels,Matthew Hayday,2011-11-30 In the last seventy years Quebec has changed from a society dominated by the social edicts of the Catholic Church and the economic interests of anglophone business leaders to a more secular culture that frequently elects separatist political parties and has developed the most comprehensive welfare state in North America In Contemporary Quebec leading scholars raise provocative questions about the ways in which Quebec has been transformed since the Second World War and offer competing interpretations of the reasons for the province's quiet and radical revolutions **Quebec-Ontario Relations** Alexandre Brassard,Louis Côté,Jean-François Savard,2013 Ontario Quebec relations have flourished in recent years Environmental and economic agreements have proliferated infrastructure trade investment labour mobility and a total of three joint provincial cabinet meetings were held between 2008 2009 and 2010 These closer ties provide a good opportunity to reflect on the provinces shared destiny Our objective in this book is to contribute to the body of knowledge on Ontario Quebec relations and spark renewed interest among researchers on this topic Our methodology combines historical and comparative approaches The first part focuses specifically on the origin and current state of relations between the two provinces It offers a big picture view of interprovincial relations from a number of perspectives political economic social and public policy The second part compares key public policy issues in the provinces in a wide range of fields The analyses provided illustrate the similarities and differences between Ontario and Quebec and provide a better understanding of the issues and policies that affect

Ontario Quebec relations      Journals of the Legislative Assembly of the Province of Quebec Québec (Province). Legislature. Department of Public Instruction, 1885      *Report of the Superintendent of Public Instruction of the Province of Quebec for the Year ...* Québec (Province). Department of Public Instruction, 1885      **Canadian Reference Sources** Mary E. Bond, Martine M. Caron, 1996 This bibliography cites those Canadian and foreign reference sources that describe Canadian people institutions organizations publications art literature languages and history It lists books of a general nature as well as works in the disciplines of history and the humanities These large divisions are then broken down by subject genre type of document and province or territory Titles of national provincial territorial or regional interest are included in every subject area when available The contents of the book are indexed four ways by name title French subject and English subject And to facilitate browsing the major reference books those dealing with more than one subject or a large geographical region are also cross referenced Two entries have been created for each bilingual document in order to provide access and bibliographical descriptions in both of Canada's official languages Entries for unilingual works include citation in the language of the publication and a bilingual annotation The annotations are descriptive and provide information on the content arrangements and indexing of works the availability of non print formats previous editions and title changes and related works Canadian Reference Sources will be an invaluable reference tool for future scholars and researchers      **Patrician Families and the Making of Quebec** Brian Young, 2014-10-01 History has often ignored the influence in modern Quebec of family dynasties patriarchy seigneurial land and traditional institutions Following the ascent of four generations from two families through eighteenth century New France to the onset of the First World War Patrician Families and the Making of Quebec compares the French Catholic Taschereaus and the Anglican and English speaking McCords Consulting private institutional and legal archives Brian Young studies eight family patriarchs Working as merchants or colonial administrators in the first generation they became seigneurial proprietors officeholders and prelates The heads of both families used marriage arrangements land stewardship and judgeships to position their heirs Young shows how patriarchy was a central force in both domestic and public life as well as the ways in which Taschereau and McCord family strategies extended into the marrow of Quebec society through moral authority influence on national identities and their positions within senior offices in religious judicial and university institutions Through courthouses cemeteries belfries and their own chapels and neoclassical estates they created encompassing cultural landscapes Later generations used museums archives historian collaborators photography and modern print to elevate family achievement to the status of heroic national narratives Sagas of the monied and entrepreneurial nationalist imperatives to protect a

vulnerable people and skepticism about the lasting power of great families and historical institutions have relegated the influence of the Taschereaus and McCords to obscurity. *Patrician Families and the Making of Quebec* resuscitates the central role these elite families played in English and French Quebec. *The Devil from Saint-Hyacinthe* Frank Guttman, 2007-05-24

With a political career spanning nearly half a century, Tlesphore Damien Bouchard was an advocate for progress in Quebec's history. He began his rise to the top in 1912 when he was elected as a member of the Legislative Assembly of Quebec for the city of Saint Hyacinthe. He went on to become mayor of Saint Hyacinthe for twenty five years, Speaker of the House, Acting House Leader of the Liberal Party from 1936 to 1939, and finally the most influential cabinet minister from 1939 to 1944. Bouchard emerged as one of the most powerful leaders of the Liberal Party. A leading anti-clerical who thought that the Catholic Church had no business in politics, the social sphere, or public education, Bouchard became a beacon of light in the struggle for education reform, women's suffrage, and workers' legislation. During the Depression, he introduced measures that relieved the misery of the poor and destitute, making Saint Hyacinthe renowned for its management of the crisis. In this first ever biography of Bouchard, author Frank Guttman touches on the politician's early life and explores how Bouchard's political attitudes developed. Tracing Bouchard's career from his beginnings as an alderman in 1905 to his final post as cabinet minister in 1944, Guttman pens a compelling portrait of a man well ahead of his generation.
