**Historical FICTION**

Historical fiction is a story. Like all narratives, the author's purpose is to entertain the reader. The only difference is that it is set in the past.

**Historical Fiction**

Education, settings, and time are all set in the past. The story is set in the past.

The story contains fictional parts. This could be characters, events, or settings.

**The Dust Bowl**

Read the story.

The dust bowl of the 1930s (1930s) was a time when the great plains were so dry and hot that the soil turned to dust. The dust blew away and for days at a time it filled the air. The dust made it hard to see and it was very unhealthy. The dust made it hard to breathe. The dust made it hard to live. The dust made it hard to stay.
