Turbulence Ahead Aubrey Hoffmann, 2025-02-10 *Turbulence Ahead* A Sizzling Forced Proximity Romance. They say everyone has a purpose. Mine? Making mistakes. Like moving to a city I hate for a guy who wasn't worth it. Like going out when I should've stayed in. Like ending up in bed with Lucas, the arrogant, insufferable, dangerously charming pilot who's been driving me crazy for years. It was supposed to be a one-night mistake. No strings, no complications. Just one wild night that I'd forget by morning. Except now I have nowhere to live. And my best worst option? Sharing an apartment with him. Lucas is my stepbrother's best friend. He's cocky, confident, and way too used to getting what he wants. And now he wants to push all my buttons. Living under the same roof was never part of the plan. Avoiding him should be easy if only he'd stop looking at me like that. If only he didn't smell so damn good. If only our history wasn't one bad decision away from repeating itself. It's just for a few months. I can survive this. Right? Perfect for fans of forced proximity, enemies-to-lovers tension, and pilots who know exactly how to take control. Buckle up, because this ride is about to get bumpy.

Beyond the Horizon Eoin Lane, 2020-06-23 She points the lens of the camera. The artist turns his head slightly. The light catches his brow and his silver-white hair. She snaps. He is lit like a Vermeer. Ireland, County Wexford, 1951. A father and son go swimming in the sea. The waves crash. The wind rises. Only one comes back. Colin, aged six. His mother, Eileen, runs to seek help, but this is a tragedy that will haunt them forever. Colin won't speak a word. He is mute and struggling to cope. But Eileen can see he has a talent for painting. She shows him his father's artwork and gives him a print of a Paul Henry landscape, and slowly, with her encouragement, he begins to follow his dream. Years later, on Inishbofin island off the west coast of Ireland, out walking with his dog on the sand, Colin meets Laura, a young woman on holiday, and a tentative friendship starts to develop. Gradually, his past comes to life in a story filled with love and frustration, loss and betrayal, but above all, with the passion he has held through his life for the light in the sea and the sky and his search for that distant shore where the sky sweeps down to the water. One man. The sea. One painting.
