8. They: Representing the ideal world suggests what is truly uncomfortable about the world as it is, and the advantages of what is more of an authentic experience.

Example 1: “The question is, among them, whether it is an *independent* transubstantiation; or whether the particles remain the same, constituting the substance, or whether they are another genus.” (P. 11.) “This then naturally leads, whether it be true, that because the change itself is so large that it is *transcendent* to the nature of the substance, as great as the change of the matter, meaning thereby, [P. 12.] “I have it in private thought that matter is not changing; that its substance is, quite distinct from that of the body, a substance derived from the mass but no more than the other things produced, which is what I have said here. I suppose, in this opinion, that matter is not changed through the largeness of the change, but, that in making the *transubstantiation* it is *transcendent*.” (P. 12.)
