Timing ON/OFF Function

To configure the timer function of the original remote control, press TIME ON or TIME OFF buttons, and the air conditioner timer light will go on, indicating the air conditioner has entered the timed status.

With the timer ON function of some of the air conditioner types is only valid only in the Power OFF status.

Notes

- This remote control is effective if the air conditioner receiver works normally.
- If the remote control is intended to be set in use for a long time, please remove the batteries.
- It may possibly caused internal program disorder if the remote control is not operated correctly. In case of that, please take out the battery, and insert the batteries 30 minutes later, then the remote control may recover normal.
