Hacquaert,1967 **The Dark Side of Leadership: A Cross-Cultural Compendium** Adebukola Oyewunmi,Gill Owens,Ogechi Adeola,2025-06-16

The corporate landscape is rife with instances of leaders who have left a trail of sinister outcomes In the last three decades the research in leadership and organisational sciences has expanded in theoretical and typological breadth to include the dark side These works have aimed at uncovering the complex interplay of personalities power dynamics and organisational cultures that can lead to destructive and unethical behaviours in the workplace While there are volumes of literature on leadership there is a dearth of research that integrates dark leadership and cross cultural norms perspectives variances and interventions The Dark Side of Leadership A Cross Cultural Compendium is a collaborative and transdisciplinary venture that draws on the knowledge and experiences of practitioners and scholars across the globe to explore the contentious and evolving subject of dark leadership The primary consideration of this book is to explore dark side leadership conceptualisations and manifestations across contexts and provide insights into traits processes and outcomes as well as interventionist paradigms Hofstede s research demonstrates the fundamental role of national and organisational culture in shaping leadership behaviour This book comprehensively documents cross cultural cases perspectives and research on the dark side of leadership **Monitor Business Directory** ,2004 *Kampala: City of the Seven Hills* University Press of Africa,1970 *Supermarket Retailing in Africa* Felix Adamu Nandonde,John L. Stanton,2022-03-25 This book surveys the landscape of supermarket retailing in Africa showing how this expanding part of the retail sector is changing consumerism on the continent Drawing on research covering retail formats consumer behaviour strategies operation research ICT relationship marketing and market linkage the book investigates the many factors impacting the growth of supermarkets in Africa The contributors employ theories concepts and methods in order to help us to understand changing consumer

behaviour the strategies used by suppliers to access supermarkets the role of service suppliers in the growth of the sector and ultimately how supermarkets can assist in making the market linkage between producers and consumers in Africa The chapters provide a comprehensive exploration of modern retail discussing its growth and future identifying consumer preferences as well as suggesting solutions to the challenges that retailers and suppliers on the continent face in developing the sector This book will be of interest to scholars and students of the retail sector and retail management in Africa

Young Consumer Behaviour Ayantunji Gbadamosi, 2017-11-22 Although one perspective depicts young consumers as vulnerable and passive in the marketplace system our knowledge of this consumer group will be inadequate if limited to this contention Their roles and relevance in family consumption activities are becoming increasingly profound Available evidence shows that they cannot be ignored in the marketplace dynamics as they consume goods and services in their households and are involved in various other active roles in their household consumption including making decisions where applicable Hence the landscape of young consumer behaviour is changing *Young Consumer Behaviour A Research Companion* focusses on exploring the behaviour of young consumers as individuals and societal members The chapters address different aspects of consumption activities of children as individuals like motivation involvement perception learning attitude the self and personality Similarly chapters on consumer behaviour in social settings contextualised to young consumers including culture sub culture family and groups are incorporated into the book This book fills a gap in the literature by addressing the dynamics of consumption patterns of this consumer group in relation to various marketing stimuli and different stakeholders It combines eclectic perspectives on the topic and specifically bridges the gap between historical perspectives and contemporary issues Building on the extant literature in the field of marketing and consumer behaviour this book is a compendium of research materials and constitutes an essential reference source on young consumer behaviour issues with both academic and managerial implications
