Making Career Decisions That Count A Practical Guide:

Making Career Decisions that Count Darrell Anthony Luzzo, Lisa Ellen Severy, 2007-12-28 With effective hands on activities and an engaging conversational tone this book provides valuable tools and effective strategies to help undecided college students and those considering a career change to successfully maneuver the career decision making process

The College and University Counseling Manual Shannon Hodges, Kimber Shelton, Michelle Lyn, 2016-08-28 Campus counseling services today must face the challenges of greater diversity and complexity on campus while making do with fewer resources In order to be maximally effective they must be willing to engage with other services within and beyond the campus itself This comprehensive manual for campus mental health and student affairs professionals is specifically designed to provide the most current information available regarding critical issues impacting the mental health and educational experiences of today's college students It is unique in its focus on outreach beyond the walls of the counseling center and how counseling services can coordinate their efforts with other on and off campus institutions to expand their reach and provide optimal services Written for both mental health counselors and administrators the text addresses ethical and legal issues campus outreach crisis and trauma services substance abuse sexual minorities spiritual and religious issues bullying and aggression web based counseling and psychoeducational services The authors of this text distill their expertise from more than 30 years of combined experience working and teaching in a variety of college and university counseling centers throughout the United States The book serves as both a comprehensive text for courses in college counseling and college student affairs and services as well as an all inclusive manual for all college and university mental health and student affairs professionals

Key Features Offers comprehensive up to date coverage of college counseling center practices and programming Provides a unique focus on integration and coordination with other student services within and beyond the campus Covers a wide range of counseling services including academic and residential Discusses critical contemporary issues such as substance abuse response to violent and traumatic events internet bullying and diversity concerns Written by authors with a wide range of experience in counseling services and other student affairs

Assessment in Counseling Danica G. Hays, 2014-11-03 Now more user friendly than ever while continuing the legacy of excellence that Albert Hood and Richard Johnson began the latest version of this best selling text updates students and clinicians on the basic principles of psychological assessment recent changes in assessment procedures and the most widely used tests relevant to counseling practice today Hays walks the reader through every stage of the assessment process and provides practical tools such as bolded key terminology chapter pretests summaries and review questions self development and reflection activities client case examples practitioner perspectives illustrating assessment in action and handy tip sheets More than 100 assessment instruments examining intelligence academic aptitude and achievement career and life planning personal interests and values personality and interpersonal relationships are described Also discussed are specialized mental health assessments for substance abuse
