Middle School Life Science Judy Capra, 1999-08-23 *Middle School Life Science Teacher's Guide* is easy to use. The new design features tabbed loose sheets which come in a stand up box that fits neatly on a bookshelf. It is divided into units and chapters so that you may use only what you need. Instead of always transporting a large book or binder or box you may take only the pages you need and place them in a separate binder or folder. Teachers can also share materials. While one is teaching a particular chapter another may use the same resource material to teach a different chapter. It's simple, it's convenient.
