Indicating Value in Early-Stage Technology Venture Valuation Christoph Philipp Wessendorf, 2021-08-24 Fundraising for venture capital investments have continued to increase in recent years One crucial step in the investment process is the valuation of the target company Investors are faced with the great challenge of valuing a young venture without a corporate or financial history a firm customer relationship or even a business model while still taking into account the tremendous growth potential Especially the valuation of technology companies is a difficult and often subjective process Motivated by these considerations this dissertation details a design science research project which aims to develop an artifact that improves the indication of value in early stage technology venture valuation while enabling operationalizable and

fair valuation This approach ensures a more meaningful valuation and better applicability to early stage technology ventures compared to traditional methods while supporting the deliberate reduction of information asymmetries between entrepreneurs and investors Firm specific characteristics and practical applicability are taken into account *A Creative Duet* Jamila McWhirter,2017-05-24 *A Creative Duet* Mentoring Success for Emerging Music Educators offers new insights into music education mentoring This book shows pre service and early career music educators how to be proactive innovative partners in the mentoring process Author Jamila L McWhirter gives expert guidance and practical tools to encourage emerging music educators to shape their own careers Grounded in research and nearly three decades of experience as a music educator and music teacher educator the book examines the collaborative and creative nature of the mentoring process and guides readers to the importance of informal organic mentoring partnerships Based upon an innovative approach *A Creative Duet* is a book on how emerging music educators may gain the most from mentoring experiences while sharing and finding their own voice Dr McWhirter guides the reader through creative strategies real life examples and experiences as well as introducing the thoughts and feelings of several emerging music educators concerning their mentoring experiences She leads the reader through proactive preparation steps such as developing a personal mission statement setting a course of action examining the importance of establishing a time commitment to the mentoring relationship as well as other aspects of self exploration *A Creative Duet* is an important book not only for the pre service and early career music educator but also for those involved in guiding future music educators **Organizational Behavior**

Fred Luthans,Brett C. Luthans,Kyle W. Luthans,2021-01-01 Contrary to the common saying we do want you to judge this new edition of *Organizational Behavior* by its front cover Specifically featured is that this is the 14th edition it takes an Evidence Based Approach and similar to the previous edition there are now three Luthans authors This 14th edition is based on the foundation provided by the first mainline text which has become the classic for the study and understanding of organizational behavior However by taking an evidence based approach this insures that even though a classic this new edition adds the most recent and relevant research to the most extensive up to date reference base of any organizational behavior text By adding the two closely related authors professor sons literally pumps new blood into the sustainability of this classic text by Fred Luthans Importantly Fred has recently been recognized with 1 Lifetime Achievement Award in Organizational Behavior 2 Top 1% of Citation Count of all researchers in the world and 3 the 1 most cited author in Organizational Behavior textbooks Finally this new edition recognizes that even though the theoretical framework and coverage largely remains the context of organizational behavior is rapidly changing This new edition reflects the New Age environment but still holds to the premise that in today s organizations success and competitive advantage still comes from the understanding prediction and effective management of human resources With this new edition we invite you to continue the never ending journey guided by the best organizational behavior theory research and application **InfoWorld** ,2006-10-16 InfoWorld is targeted to Senior IT
