Management Culture and Corporate Social Responsibility Pranas Žukauskas, Jolita Vveinhardt, Regina Andriukaitienė, 2018-04-18 This monograph focuses on the level of management culture development in organizations attempting to disclose it not only with the help of theoretical insights but also by the approach based on employees and managers Why was the term management culture that is rarely found in literature selected for the analysis We are quite often faced with problems of terminology Especially it often happens in the translation from one language to another While preparing this monograph the authors had a number of questions on how to decouple the management culture from organization s culture and from organizational culture how to separate management culture from managerial culture etc However having analysed a variety of scientific research it appeared that there is no need to break down the mentioned cultures because they still overlap Therefore it is impossible to completely separate the management culture from the formal or informal part of organizational culture Management culture inevitably exists in every organization only its level of development may vary **Management Techniques for a Diverse and Cross-Cultural Workforce** Sharma,

Naman, Singh, Vinod Kumar, Pathak, Swati, 2018-02-16 Workforce diversity refers to a strategy that promotes and supports the integration of human diversification in business By utilizing focused inclusion policies and practices businesses can guide work environments and create an optimal business culture Management Techniques for a Diverse and Cross Cultural Workforce is a critical scholarly resource that examines the emerging work culture to understand the underlying human processes prevalent in modern organizations Featuring coverage on a broad range of topics such as gender diversity workforce trends and inclusion management this book is geared towards business owners managers entrepreneurs professionals researchers and students seeking current research on diversity management Health Program Management Beaufort B.
