The Acts of Thomas Klijn, 2003-07-01 This is the second edition of a book published as long ago as 1962 The at that time relatively young Dr A F J Klijn was brought up in the school of W C van Unnik and G Quispel both in Utrecht In his book about the Acts of Thomas he tried to demonstrate that this work cannot be reckoned among the Gnostic writings but belongs to the early Syriac or rather Eastern Christian tradition In the last decades much has been written about Syriac Christianity which made

it necessary to rewrite the original introduction of this book The commentary has mainly been left as it was although many additions have been made to its great number of valuable references

The Acts of Thomas Albertus Frederik Johannes Klijn, 2003-01-01 Annotation Klijn emeritus U of Groningen presents a commentary on the acts of Thomas He relies on the Syriac text thought by him to be the original language of the writing but makes reference to the Greek translation He seeks to demonstrate that the work belongs to the Eastern Christian tradition rather than that of the Gnostics Klijn has revised the introduction in response to more recent work on Syriac Christianity but largely left the commentary the same as in the original 1962 edition Annotation c 2003 Book News Inc Portland OR booknews com
