*Hidden Bible Study Guide plus Streaming Video* Allison Allen, 2023-12-19 You don't have to perform anymore You are hidden in Christ and need nobody's favor We live in a world that tells you that visibility is value that recognition is your greatest reward Even though we know it's empty so many of us are enslaved to this culture of performance and people pleasing earthly accolades and social media likes As a former actor Allison Allen knows what it's like to feel like she had to perform not only for others but even for God's favor In this video Bible study video access included you're invited to let go of the pressure you feel and lean into the freedom of your inherent value in Christ Throughout these sessions you'll spend time in the forgotten corners of Scripture and get to know some of the most hidden least remembered people in the Bible What do they have to tell us about a life that doesn't seek to be seen This study guide has everything you need for a full Bible study experience including Biblical context and character studies including the Sons of Korah Cleopas Huldah the Daughters of Shallum Pilate's Wife and Gideon Group discussion questions Individual access to six streaming video lessons from Allison Personal Bible study between sessions for reflection and application Inspirational character readings by Allison Sessions and video run times Hidden Treasures 20:00 Where All Good Things Are Found 21:00 Choosing Excellence Over Exposure 21:00 What Lies Beneath the Surface of Our Lives 22:00 Out of Hiding 19:00 From Strength to Strength 22:00 Streaming video access included Access code subject to expiration after 12/31/2029 Code may be redeemed only by the recipient of this package Code may not be transferred or sold separately from this package Internet connection required Void where prohibited taxed or restricted by law Additional offer details inside Join Allison Allen as she explores the power purpose and delight of hiddenness in Christ

[The Public International Law Study Guide for Students](#) Cristina Verones, Sébastien Rosselet, 2014-07-18 A sound understanding of public international law is indispensable for any lawyer whether working in an international or domestic context It is therefore important that students have a thorough theoretical understanding of international law issues and are able to apply the relevant international legal rules to a given set of facts so as to arrive at a legally coherent conclusion This practical aspect of learning international law is often neglected in favour of more theoretical aspects which is where this book comes in The book offers a series of hypothetical practical cases in public international law including some of its specialised branches such as international human rights law and international criminal law It challenges students to practise and familiarise themselves with the methodology and to write solutions to practical international legal questions The book is in two parts part one contains practical exam like questions while part two contains the solutions The practical questions in part one are organised by subject such as treaty law or state responsibility One chapter is dedicated to more complex interconnected cases where students are asked to tackle problems which span multiple potential cases and topics
