C-O-V-I-D, The Biggest Conspiracy in History Frederick Guttmann, Have you ever wondered Why did the first cases of an apparent new flu pneumonia also appear in the same cities where the 5G antennas were activated Why was the study of other possibilities of non viral origin not accepted as the cause of the symptoms nor was it allowed to give opinions to scientists or doctors in televised debates Why were healthy people forced into their homes Why did they send the population to wear masks instead of fresh air to boost their immune systems Why were they told to distance themselves instead of allowing herd immunization Why did George Soros invested 18 billion dollars in promoting anti covid measures in almost every country in the world Why do you censor any opinion that contradicts the official version Why is WHO 73% funded by Rockefeller bankers Why do governments only promote the solution of vaccines and their agreements with pharmaceutical companies and the scientific opinion of the alkalization of the body is not accepted Why do you ask for PCR tests if the polymerase tests do not detect viruses but the person's own microbiota How can there be a vaccine if the virus has never been isolated nor is there a single photomicrograph of it How do you know that people die of such a virus if

autopsies are not done to determine the causes What are they really not telling us This book presents ample scientific evidence and classified documents on a globalist Agenda that seeks to establish a new Nazism worldwide where technology and the police state serve the benefit of an elite that controls governments corporations and banks You will know not only who is behind but step by step all the guidelines that they will carry out and how you can escape from their network

Codename Revolution Steven E. Jones, George K. Thiruvathukal, 2024-12-17 Nintendo's hugely popular and influential video game console system considered as technological device and social phenomenon The Nintendo Wii introduced in 2006 helped usher in a moment of retro reinvention in video game play This hugely popular console system codenamed Revolution during development signaled a turn away from fully immersive time consuming MMORPGs or forty hour FPS games and back toward family fun in the living room Players using the wireless motion sensitive controller the Wii Remote or Wiimote play with their whole bodies waving swinging swaying The mimetic interface shifts attention from what's on the screen to what's happening in physical space This book describes the Wii's impact in technological social and cultural terms examining the Wii as a system of interrelated hardware and software that was consciously designed to promote social play in physical space Each chapter of Codename Revolution focuses on a major component of the Wii as a platform the console itself designed to be low powered and nimble the iconic Wii Remote Wii Fit Plus and its controller the Wii Balance Board the Wii Channels interface and Nintendo's distribution system and the Wii as a social platform that not only affords multiplayer options but also encourages social interaction in shared physical space Finally the authors connect the Wii's revolution in mimetic interface gaming which eventually led to the release of Sony's Move and Microsoft's Kinect to some of the economic and technological conditions that influence the possibility of making something new in this arena of computing and culture
