Malayalam Calendar 2015 Read

Meena T Pillai

Malayalam Calendar 2015 Read:

Affective Feminisms in Digital India Meena T Pillai, 2022-09-29 This book studies digital feminist activism in contemporary India. It provides a close and comprehensive analysis of the postmillennial digital moment in India which has given rise to new modes of women's digital dissent. The volume examines how anti-rape narratives, Feminichy scandals, MeToo movements and menstrual activism amongst a host of other performative feminist dissent and their discursive medialities create affective digital feminisms which both break with and continue the residual and emergent practices within feminisms in India. It looks at digital womanspeak from India and focuses on vernacular forms of dissent through which the author aims to decolonize feminist imaginaries from their moorings in the West. The author explores new digital cultural and social geographies where politically untamed women use their precarity to unsettle deep sexist structures and mount a gendered critique of the political economy of the nation-state. An important contribution to the study of feminism in India, the volume will be useful for students and researchers of gender and women's studies, cultural studies, digital sociology, intersectional feminism, transnational feminism, digital humanities and South Asian studies. It will also be appealing to readers interested in the history of women's dissent in India.
