It is again a story of a woman and the military machine. The incident is the kidnapping of the flight instructor at Fort George Gossard. The girl, Dorothy Ann, was kidnapped while in the dining room. Her father, a pilot, and a flight instructor, both of whom were in the room, were also kidnapped. The girl was taken to a room in the hotel and held there for several days. The girl was then released and returned to her home. The flight instructor was also released and returned to his home. The kidnapping was a major event in the history of the military machine.
