the state you live in across the country or across the world Is the way you created your business model really scale able Can you replicate yourself and create a franchise that is teach able and that offers a clear picture of your concept to the market Entrepreneurs across the world create amazing new models and platforms every day but not all of them are scale able as a franchise model Franchising is one of the fastest and most viable distribution platforms in the world and an incredible experience for new franchisors who are able to give of themselves to package train and provide ongoing coaching and support for their creation allowing amazing operators in the form of franchisees to benefit from their franchise offering But is your model really the one they should be investing in And are you as good at building a franchise team as you are running your beautiful business at the unit level Franchise consultant and Franchise Science CEO Harold Miller places your mind into the preparation and execution in a point to point franchise development to focus on the people the methods and the phases of franchising your business model and the key questions to ask yourself along with way by actually taking you through a full development with your own model in mind There are a number of great franchise books which talk a lot about past successes of various models and offer a useful history of franchising Replication The Art and Science of Franchising Your Business focuses on how to think about the option of franchising today and how various fundamentals will shift during the current labor and management marketplace Knowing how to prepare and what questions to ask yourself phase by phase can solve a lot of problems and save a lot of wasted capital by making better decisions on both the if and the how of franchising your business model

The Law and Regulation of Franchising in the EU Mark Abell, 2013 Mark Abell s book argues that the European franchising market fails to reach its potential as it remains unregulated He supports this by analysing the historical legal and economic basics and risk attraction profiles of franchising to franchisors and franchisee compares the European situation to the highly developed regulatory regimes in the USA and Australia and moves through to proposing and drafting a new EU directive to bring greater certainty and stability to cross border franchising in the EU Comprehensively researched and very detailed this book is a worthy contribution to the literature on the subject Graham Cunningham Barrister Hardwicke Key features of this detailed and insightful work include Practical analysis from a leading authority in the field of franchising Examination of the impact of both franchise specific and general commercial law upon use of franchising in the EU Comparative legal analysis of the law of England Germany France the US and Australia Carefully constructed proposals for a franchise directive in the EU based on the vast experience of the author A draft text for the proposed directive The Law and Regulation of Franchising in the EU provides an in depth analysis of the regulatory environment for franchising in the EU Franchising in the EU comprises nearly 10 000 franchised brands and over 215 billion US 300 billion turnover per annum However compared to its scale in the US and Australia franchising is not realising its full potential in the EU and the author points to the lack of homogeneity across members states as a large part of the problem The book concludes by arguing for the adoption of a draft directive and proposes a draft directive which promotes market confidence in franchising provides pre

contractual hygiene and imposes a mandatory taxonomy of rights and obligations This highly topical and comprehensive work will appeal to franchise lawyers and franchise academics as this is the first book that analyses the impact of EU and member state law upon the use of franchising in the EU      Oswaal NTA CUET (UG) 5 Mock Test Papers Entrepreneurship (For 2025 Exam Oswaal Editorial Board,2024-10-12 This product covers the following Valuable Exam Insights with the Latest Solved Paper 2024 Extensive Practice with 700 approx Questions No of Questions varies as per Subject 250 Concepts Clarified with Explanations Exclusive Advantages of Oswaal 360 Courses and Mock Papers to Enrich Your Learning Journey
